MOTHER'S DAY MEMORIAL

In memory of my Dear Mother, Mrs. Lauada Reid Tippett, who passed away September 10, 1944, and my Mother-in-law, Mrs. Harriette Tallent, who passed away August 20, 1920.

Another year has come and gone And we again our tributes pay To our beloved saintly mothers Who long ago did pass away, And my heart is full of longing As wistfully I look around; In fancy I would again behold them With a feeling most profound.

All the world is full of music, Birds are chirping in the trees, And the fragrance of the woodland Comes with every passing breeze. I hear the murmuring of the river. As it flows along its way, And all the lilies and the roses Seem to whisper Mother's Day.

Every word of love and comfort That was whispered in my ear By the loving lips of them, To my memory is most dear, And it seems I hear them singing.

As I did in days of old "Pass Me Not, O Gentle Saviour," And "Jesus, Lover Of My Soul".

It is sweet to think about them And far beyond the shining blue I would catch a glimpse of them At Heaven's window smiling thru.

May I meet them when life is ended In that "Land of Pure Delight", And today I honor them by wearing

On my coat a rose of white. A daughter, MRS. FRANK TALLENT

Get B. F. Goodrich Silvertowns that OUTWEAR PREWAR TIRES

Interested in saving money? Here's your answer. The wider, flatter B.F. Goodrich tread puts more rubber in contact with the road. This greater road coverage means more rubber to share the wear, less wear at any point, a longer lasting tire that covers more ground before its service life is ended. Millions of test miles and actual experience in regular car owner

use prove this tire actually OUTWEARS PREWAR TIRES. Remember price is only what you pay... what a tire costs you is measured in length of service. That's why we say... invest in the best... the new B.F. Goodrich Silvertown... costs less per mile... is best in the long run. You pay no premium for the extra value features of the new B.F. Goodrich Silvertown... and per mile it saves you money.
