MISS WALDROOP WEDS HARRY HOLMES MIZELLE

Miss Betty Jane Waldroop, daughter of Mr. and Mrs. Harold Waldroop, of Franklin, became the bride of Harry Holmes Mizelle, son of Mr. and Mrs. J. I. Mizelle, of Newport, last Saturday. The ceremony was performed by the Rev. W. Jackson Hunneycutt, at the Franklin Methodist church at 6 p. m.

Prior to the ceremony, Mrs. Henry W. Cabe played "Leibstraum" by Liszt, "The Lord's Prayer" was played during the ceremony, and the traditional "Wedding March" from Lohengrin and Mendelssohn's recessional were presented by the organist.

The bride wore a light blue gabardine suit with white accessories and her corsage was of red rosebuds.

Mrs. Mizelle is a graduate of the Franklin High school and of the Woman's College of the University of North Carolina.

The groom attended Randolph-Macon academy at Fort Royal, Va., and continued his education at the University of North Carolina until entering the service. While in the armed forces, he served three years in the personnel division, Army Service forces, third Service command. Since his discharge, he has been continuing his studies at the University of North Carolina.

The ceremony was attended by a small group of close friends and immediate relatives, including the bride's parents, Miss Margaret Waldroop, Miss Lillian Jones, and Robert Waldroop, all of Franklin, and Miss Joan Blanton, of Charlotte.

After spending a short time in Western North Carolina, Mr. and Mrs. Mizelle will make their home in Newport.

Board Adopts Budget, Asks Bonds Be Issued

ceeds are immediately needed . . . and only then such amount of the bonds as is so needed". Otherwise, it was explained, bond sales soon would glut the market and force the interest rates upward.

John M. Archer, Jr., Carl S. Slagle, the Rev. Charles E. Parker, and R. S. Jones, members of a nine-person committee named by the P. T. A. to study schools outside Macon County, with a view to seeking advantages for Macon County children equal to those enjoyed by children in other North Carolina counties, appeared before the board.

Mr. Archer, explaining that the group's sole aim was to work with the board, suggested that it should not be necessary for the parent-teacher association to provide telephone service at the Franklin school and pay a janitor to keep the toilets clean, as it did last year; that a course in public school music should be offered; and that it would be desirable to offer public speaking and dramatics.

Mr. Houk, speaking for the board, assured the committee that school funds are available to pay for the telephone and to provide janitor service. He said attendance figures for last year were high enough to entitle the Franklin school to three additional teachers, and that a public school music teacher will be employed, if a teacher certified to teach that subject can be found; and indicated a desire to provide some instruction in public speaking and dramatics through the English department. He added, however, that these matters are largely up to the school principal.

Mr. Archer suggested that, if everybody in Franklin will start looking for a teacher of public school music, one may be found.

Mr. Houk added that a teacher certified to teach physical education has been employed, and it is planned to put a comprehensive physical education program into the Frank-

lin school. It was decided to buy three new school buses to replace out-worn vehicles; to install coal stoves in school rooms now heated by wood; and to do no painting, expect at the Otto school.
