THIS IS OUR BIRTHDAY

(Belks opened for business August 9, 1945), and this 8 days of Special Values is an effort to show our appreciation to the fine people of Macon County and the surrounding areas who by their good will and patronage have made our store a success.

Some of the prices quoted here on reliable merchandise are truly remarkable in the face of rising labor and material costs to the manufacturer. At this time it does not look like we will have cheaper prices for some months to come.

Let us urge you to visit Belks often during the 8 days of this special value giving Sale!
