Annual Reunion Of Stamey Family Draws 237 Persons

Two hundred thirty-seven persons were present at the 14th annual Stamey reunion, held at the home of Mr. and Mrs. Robert Stamey, of Prentiss, last Sunday.

Prior to enjoying a bountiful dinner served picnic style by the ladies of the family, the group heard a sermon by the Rev. Raleigh Guffey, pastor of the Black Mountain Baptist church. The afternoon program consisted of short talks by the Mr. Guffey, the Rev. Charles Ledford, Rev. James Sanders, and "Uncle Lum" Sanders. Group singing was also enjoyed.

Stokes To Hold Week's Church At Revival Here

Revival services will be conducted at the Franklin Methodist church by Dr. J. L. Stokes, II, pastor of the St. John's Methodist church at Rock Hill, S. C., beginning next Sunday. Services will be held each night at eight o'clock through September 5. During this time Dr. Stokes will deliver a series of special evangelistic sermons.

Dr. Stokes served as minister of the Franklin Methodist church from the fall of 1941 until the spring of 1944, when he was transferred to the First Methodist church, Elkin.

School Mergers Voted By Board Of Education

ed principal at Kyle. Mrs. Joyce Cagle was transferred from Clark's Chapel to Otto, to succeed Mrs. Alley. And Mrs. James Wurst was appointed to teach at Clark's Chapel.

The Slagle and Allison-Watts situation provoked considerable discussion, and Bob Sloan, member of the board, questioned the desirability of this change, but agreed to the plan when Mr. Houk assured the board that there is sufficient room at the Slagle school to accommodate the four upper grades from Allison-Watts.

Mr. Houk suggested that the school bus line should be extended about two miles up Jones Creek road in any case, to pick up High school children, and that it could transport the children from Allison-Watts to Slagle. Last year, he said, the "membership" in the four upper grades at Allison-Watts was 12.

In suggesting the Gold Mine-Higdonville consolidation, he pointed out that the Gold Mine building is in poor condition, and that there was room on a bus already being operated to transport the children from Gold Mine to Higdonville. The Gold Mine school has been operated, he said, for 22 children.

The board authorized Mr. Houk to enter into a contract with S. H. Lyle, local insurance man, for a blanket liability insurance policy on the approximately 2,000 Macon County children transported on school buses. Applications for the business were filed by Mr. Lyle and Grover Jamison.

The board voted to hold its next meeting at 10 a. m. Monday, September 1.

Last-minute changes, supplementing and superseding the teacher assignments made Saturday, were announced by Supt. Houk Wednesday, on the eve of the opening of the schools.

Miss Lolita Dean, instead of going to Slagle, was sent back to Kyle. Mrs. Glee G. Nolen goes back to Slagle, instead of to Allison-Watts. Miss Esther Seay goes to Kyle instead of to Otter Creek. Carl Talley goes to Otter Creek in place of Miss Seay. The other member of the Kyle faculty is Miss Stella Mc Coy.

Mr. Houk also announced that Mrs. Clinton Johnson has been named to the Franklin high school faculty in place of a new teacher who was elected, but resigned. Two of the three vacancies in the Franklin school, he added, have been filled by the appointment of Mrs. Marie Stewart and Mrs. Ruth Slagle Ross.

At the close of the day's work, washing a horse's or mule's shoulders with a cold water strong salt solution will help keep the animal in healthy condition.

Doctor Says Worm In Apple Is Better Than Fruit Itself

Next time you find a worm in your apple, eat the worm and toss away the apple.

That's the advice of Dr. Lawrence M. Rohrbach, University of Oklahoma botany professor.

He explained that the concentration of proteins in the worm exceeds that of the apple. Rohrbach added that many African tribes have considered

fried worms as delicacies for several centuries. The professor did not say how he liked his worms, fried or boiled.
