OUR DEMOCRACY — by Mat

VISION AND REALIZATION

THERE ARE CONCEPTS WE THINK OF AS "MODERN" THAT WERE BORN IN THE MINDS OF MEN CENTURIES AGO... LEONARDO DA VINCI, FOR EXAMPLE, GAVE MANKIND THE BASIC IDEAS FOR HYDRAULICS, SOUND TRANSMISSION, STEAM POWER, ROLLER BEARINGS, ROLLING MILLS, PARACHUTES, AIRPLANES...

IN AMERICA, MANY OF THESE IDEAS HAVE BEEN BROUGHT TO THEIR HIGHEST FRUITION IN TERMS OF PRODUCTION AND USE THROUGH THE STIMULUS GIVEN INVENTION AND ENTERPRISE BY OUR DEMOCRATIC WAY OF LIFE... MEN AND IDEAS GROW BEST IN FREE SOIL

Plans and specifications are open to public inspection at the office of the Town Clerk. Each bid must be accompanied by certified check for five per cent of the amount of the bid made payable to the Treasurer of the Town of Franklin as a proposal guarantee. A performance bond will be required of the successful bidder in the amount of 100 per cent of the contract price conditioned on the faithful performance of the contract and the payment of all persons supplying labor or furnishing labor for the construction of the work. Consideration will be given only to bids of contractors who submit evidence showing that they are licensed under "An act to regulate the performance of general contracting" ratified by the General Assembly of North Carolina on March 10, 1925. The Town reserves the right to reject all bids and to waive informalities and technicalities in the proposals. TOWN OF FRANKLIN T. W. Angel, Mayor E. W. Long Clerk and Treasurer S4-1tc
