A. F. Brown

Dies Of Heart Attack At Scaly Home

Alfred F. Brown, 42, died suddenly at his home in the Scaly community September 13 at 2 p. m. of a heart attack. Mr. Brown, a native of Macon County, was well known in his community as postmaster, merchant and a farmer. He also owned several business interests in the nearby town of Highlands.

Funeral services were held at the home September 15 at 2 p. m., with burial following in the Scaly Methodist church cemetery.

Pallbearers were Billy Brown, Kenneth James, Bob James, Harry C. Brown, Edgar James and Lee Brown.

Surviving Mr. Brown are his widow, Mrs. Grace Billingsley Brown; four brothers, Ernest Brown, of Rabun Gap, Ga., Harry and W. B. Brown, of Dillard, Ga., and Henry Brown, of Leavenworth, Kans.; and one sister, Mrs. J. W. Colston of Nashville, Tenn.

Byrant funeral home was in charge of the arrangements.

Frank N. Norton Passes; Funeral Held Wednesday

Frank N. Norton, 52, lifelong resident of the Otto community, died at Angel hospital Tuesday morning of last week, following a serious illness of four months.

Funeral services were held Wednesday morning at 11 o'clock at the Asbury Methodist church, with the Rev. V. N. Allen, pastor, officiating. Burial followed in the church cemetery. Nephews served as pallbearers.

Mr. Norton is survived by five sisters, Mrs. Charles Stewart, Tuckasee, Mrs. Robert Stewart, of Otto, Mrs. Fannie Foster, of Demorest, Ga., Mrs. A. C. Cole, of Anderson, S. C., and Miss Mamie Norton, of Atlanta, Ga.

Funeral arrangements were directed by Bryant funeral home.

MARK 50TH ANNIVERSARY—Mr. and Mrs. C. R. Cabe are shown above as they held open house at their Otto home, beautifully decorated for the occasion, August 31, in celebration of their golden wedding anniversary. They were the recipients of many gifts from the more than 100 guests who called during the afternoon. Mr. Cabe, a native of Macon County, and Mrs. Cabe, the former Miss Lula Campbell, of Greenville, S. C., have spent their entire half-century of married life in this county. They have six children, Mrs. Charles M. Rogers and Mrs. Ted Blaine, both of Franklin, Mrs. R. Vance Rogers, of Arlington, Wash., and Claude Cabe, Mrs. Ralph Norton, and Neville Cabe, all of Otto.

Evangelistic Services Planned At First Baptist

Plans for a 10-day series of evangelistic services at the First Baptist church have been announced by the pastor, the Rev. Charles E. Parker.

The services, to be held each evening at 7:30 o'clock, will get under way Sunday, October 12, and continue through Wednesday, October 22.

Dr. Samuel Maddox, pastor of the First Baptist church at Florence, Ala., will be the guest minister for the services, and the Rev. Mark Osborne, Jr., of Cullowhee, will direct the music.

CHOICE is the keynote of today's career

Would you go to Europe, Japan or Korea?
Or would you stay near home? Any man who has had prior service in the Armed Forces may elect to do any of these things if he enlists in the Army now for 3 years or more. He can choose to be assigned directly to duty in Europe or with one of five famous Infantry divisions in the Far East. Or he may choose to be stationed near home for the first full year of his enlistment (where there are vacancies). Men with or without prior service may choose one of the famous combat divisions in Japan or Korea.

Would you select a career in aviation?
This you can do, and be guaranteed the training you choose before you enlist! Only requirements beyond regular physical and mental examinations are that you be a high school graduate, or that you are in the Air Force and can qualify. It's today's great opportunity to write your own ticket in the Air Force.

Would you want to learn to fly? If you are single, 20 to 26½, and have had two or more years of college education or the equivalent, you can become an Aviation Cadet with the U. S. Air Force. Nowhere else can you get better training, for nowhere else is aviation advancing as fast or as far as in our own Air Force.

Would you go to a leadership school? If you have qualities of leadership, would you want to develop them to their fullest? U. S. Army Leadership Schools are now selecting likely candidates from servicemen to take these valuable courses.

The Army and Air Force are doing everything possible today to help each individual develop along the lines that he picks for himself. Army and Air Force training is thorough and take-home pay is better than most civilian jobs. Opportunities for advancement are wide open to every man in uniform. Make your choice today at your U. S. Army and Air Force Recruiting Station.

Frazier Manhattan Quality Features Described By Mooney Motor Company

INTERIOR

1. The overall beauty and richness of the interior of the Manhattan is the direct result of the luxurious and colorful upholstery and trim fabrics used. Words, and even pictures fail to do justice to the outstanding beauty of these interiors. The materials are soft and silky to the touch and are a produce of Botany, a name synonymous with quality.

2. Seats are upholstered with pleated cushions and backs, and in every way represent and actually are, the finest upholstery that money can buy.

3. Door panels below the windows are in two tone with a title pattern in the center panel that adds a decided note of richness to the interior. Wide chrome beads above and below the title pattern accentuate that richness.

4. Special elongated combination arm rests and door pulls are trimmed in the darker colored fabric and ornamented with a chrome beading.

5. A special tilt-type (two position) non-glare rear view mirror gives perfect rear vision by night and day, even when bright headlights are following.

6. A rich carpet of super quality is used on both the front and rear compartment floors, and a rubber heel pad below the pedals prevents excessive wear.

7. Factory installed air conditioner, is finished in a color to harmonize with the interior hue of the body. The hand brake lever is also in harmonizing tone.

8. Twin sun visors covered with cloth to match the headlining, are trimmed with leather in a contrasting shade.

9. Chrome window garnish mouldings, are used throughout. They give a decided note of sparkle to the whole interior.

10. The panel containing the instrument controls below the radio speaker grill is of buffed chrome.

11. The instrument panel is further decorated with additional chrome beadings above the gauges and across the door of the glove compartment and the corresponding panel on the opposite side.

12. A special deluxe (Tenite) steering wheel and sturdy steering column housing are standard equipment. It is the finest steering wheel ever used in a production automobile and carries a beautiful Frazier crest in full color with a gold background under plastic. The spider is trimmed with chrome.

13. Radio speaker grill differs by the use of new background material behind the bars, which materially improves its appearance.

14. Courtesy lights on each side of the front compartment under the instrument panel, are operated automatically by the opening and closing of the front doors. When both front doors are closed, these courtesy lights may be turned on and used as map lights by means of a toggle switch beneath the instrument control panel.

15. Assist handles of bright chrome are located on either side of the back of the front seat, and are an added convenience in entering and leaving the car.

16. Between these assist handles, is a large, chrome trimmed deluxe type ash receiver, which adds a distinct note of luxury to the rear compartment.

EXTERIOR

1. The whole car is given a much lower and more massive appearance by the addition of a wide, moulded, chrome rocker panel moulding below the doors.

2. A touch of sparkle is added by the chrome drip moulding, starting at the cowl and flowing over the windows back to the belt moulding at the rear.

3. The rear belt moulding is extra wide and joins the two ends of the drip moulding.

4. The name "Manhattan" in chrome script on the rear of the front fenders adds a note of prestige to the car.

4. The name "Manhattan" in chrome script on the rear of the front fenders adds a note of prestige to the car.

TRUNK

1. The interior of the trunk is finished on the floor, with a rubber-backed carpet, and the sides are trimmed with panels of heavy fiberboard. A trunk light in the lid turns on automatically when the trunk lid is opened, provided the headlight switch is in the "on" position.

COLORS

1. There are six different color interior upholstery and trim combinations and seven exterior paint schemes. Five of the latter are two tone and the remaining two are solid colors. All of these exterior paints utilize metallic and non-metallic synthetic enamel.
