 MRS. H. G. STORY

**Thanksgiving Story
 Told By Carter In
 Talk To Rotary Club**

The history of Thanksgiving, an American institution, was the subject of an address prepared for delivery at last (Tuesday) night's meeting of the Highlands Rotary by Dr. Thom N. Carter, pastor of the first Baptist church.

In his talk, entitled "The Blessing of Thanksgiving", Dr. Carter traced the history of the national holiday from the first Thanksgiving observance in colonial New England through the 17-year struggle of Mrs. Sarah J. Hale, nationally known at the time as the editor of "Godey's Lady's Book", to make Thanksgiving a nationally-recognized occasion, proclaimed by the President.

It has been an annual event, Dr. Carter pointed out, since President Lincoln's proclamation in 1863.

**December Meeting Will
 Stress Hobbies**

The December meeting of the Highlands P. T. A. will be held Tuesday, December 2, in the science room of the school.

The program will feature foreign Christmas carols by a girls' chorus and Christmas stories of other lands by younger children.

A display of suggested Christmas gifts will seek to encourage hobbies for children. Local merchants are cooperating with the P. T. A.'s sponsorship of "worthwhile" Christmas presents by lending for the display tools and equipment for hobbies of carpentry, radio, mechanics, natural history, painting, cooking, sewing, models, gardening, sports, etc.

**S. S. Christmas Tree
 Planned By Auxiliary**

The November meeting of the Woman's auxiliary of the Episcopal church was held Thursday at the home of Mrs. Tom Harbison, when plans were made for a Sunday school Christmas tree.

**DAVISES ENTERTAIN AT
 EPISCOPAL SUPPER MEET**

Mr. and Mrs. W. S. Davis were hosts to the November supper meeting of the Episcopal Church of the Incarnation Thursday night. The December meeting will be held with Mr. and Mrs. William C. Nall at their new home on Hickory street.

**WILL YOUR
 FAMILY
 BE THANKFUL?** 

THANKSGIVING was first celebrated by our Pilgrim Fathers because a bountiful harvest made it possible for them to live in the New World. In much the same way your family will be thankful if you provide now for the "new world" in which they will find themselves should you no longer be able to provide for them.

You can do this with adequate life insurance, carefully planned to meet your every need. Call or write your Jefferson Standard representative today—he will be glad, at no cost to you, to help you work out your "Planned Protection" program.
