As many rich desserts as I did during the holidays, probably ready to settle for some simpler, less expensive. So here are a few to give your palate—and your welcome change:

THE QUICKIE
When two top favorites like coffee and A&P ANN PAGE SPARKLE PUDDING MIXTURE get together, the result is a delicious duet that'll have everybody singing your praises. So combine 1 cup strong coffee and 1 cup evaporated milk, and add gradually to pkg. SPARKLE PUDDING MIXTURE (vanilla or chocolate) in saucepan, mixing till smooth. Cook over low heat, stirring constantly till thick. Remove from heat as soon as mixture begins to boil. Pour into serving dishes, and let stand till cool and firm. Serve with milk. 4 servings.

TEMPING TIME-SAVERS
When I want a light dessert that's light work to prepare, I serve fruit and cake. And of course I let my party chefs bake the cake. Their oven-wash JANE PARKER ANGEL FOOD RING and JANE PARKER POUND CAKE are tops for topping off a meal. Modestly priced, too.

WELL PRESERVED CAKE
Speaking of cake, try this: Spread A&P's luscious ANN PAGE PRESERVES (any flavor) between layers, top with preserves, and cover entire cake with meringue made by beating 2 egg whites with 4 tbsps. sugar. Bake in moderate oven, 375° F., till meringue is browned. Serves 8.

APPLESAUCE SHORT-CUT
Take a tip from Eve and tempt your menfolk with apple desserts! And take a tip from me and make them with A&P APPLESAUCE when you're in a special hurry. It's full of grand, fresh flavor. I'm particularly partial to it in this recipe: Combine a 20-ounce can of A&P APPLESAUCE, 1/4 cup brown sugar, 1/2 cup crushed graham crackers, 2 tbsps. lemon juice and 1/4 tsp. cinnamon. Mix well, turn into greased 9x5x3-inch baking dish, and bake in moderate oven, 375° F., 25 minutes. Delicious served hot with cream. 4 servings.

FARM CENSUS NOTE

Each farm owner shall prepare a list of the acreage of each crop grown, including tenths of acres of truck. The list should show the total acres cultivated by the owner, also the acres cultivated by all tenants on each separately recognized farm, the acres in improved pasture, woodland, idle and other lands. He shall be prepared to report the number of hogs sold or slaughtered during past 12 months and tons of fertilizer to be used during this crop year. This information is kept confidential and has no relation to taxes. Its purpose is for agricultural education, economic analysis and safer guidance of county agents and farmers generally.
