#### CHOOSE YOUR SCHOOL BEFORE YOU ENLIST!

All Expenses Paid and \$75 a Month While Learning! Never before has the Regular Army offered the young men of America the chance to select one of the more than sixty technical schools before enlisting! But right now, for a limited time, men with a high school education or better can enlist for three years and be assured of attending the school of their choice. These men may select from such diversified fields as Radar, Radio, Medical Laboratory work, Automobile Mechanics, Parachute Rigging—whatever your choice may be, the Recruiting Officer will be able to guarantee you training in that field so long as vacancies exist. A young man who embarks upon a Regular Army career in this way assures himself of rapid advancement. (Non-high school graduates may apply for this training shortly after they enlist.) Early choice will afford the best choice, so see your nearest U. S. Army and U. S. Air Force Recruiting Officer today. You'll find him at Hotel Hearn, Franklin. J8-1tc
