TO THE PATRONS OF RFD ROUTES TWO AND THREE, FRANKLIN, N. C.

Since I cannot write you individually, I take this method to tell you that I remember, am deeply grateful, and thank you for your many gifts to me during my thirty-two years as Rural Letter Carrier; that I cannot forget your countless acts of kindness and consideration in helping me through mud holes, in fixing your mail boxes for my convenience, in facing out-going mail all one way and clamping it with a clothes pin or stanching it against the side of the box so that clumsy fingers could easily pick it up; and that never did the gifts or the discovery of those kind acts fail to give me a warm glow inside.

Please accept my thanks for everything and believe me when I say that my only regret is that I did not serve you better.

HAROLD SLOAN,
Retired Rural Letter Carrier
Franklin, N. C.,
February 1, 1948.

MARKETING with Marjorie

There are plenty of occasions for making merry in February... and plenty of inexpensive ways to perk up parties. Here are a few that prove you don't need to spend a king's ransom to entertain royally:

HAVE A HEART!

A heart-shaped mold of tangy tomato aspic makes a Valentine's Day salad guests will take to their hearts. So soften 1 envelope of plain gelatin in 2 tbsps. cold water and 2 tbsps. vinegar. Combine 2 cups of A & P's ION A TOMATO JUICE, 1/2 tsp. pepper, 1 bay leaf, 1 sliced onion, 1 tsp. sugar, 1 tsp. salt and a few celery leaves, and simmer 15 minutes. Strain over gelatin; stir till dissolved; pour into mold and chill until firm. Unmold on lettuce, and, using pastry bag and tube, decorate with a frilly border of softened cream cheese. 4 servings.

TEA-TIME TRICK

To pretty-up your tea tray for a party, take a tint (any shade of vegetable coloring, that is) and apply it to loaf sugar like this: Place a few drops in 2 tbsps. cold water, and drop small amount of colored water along one side and down one end of each sugar cube. When dry, serve with OUR OWN, NECTAR or MAYFAIR TEAS... the famous Flavor-Tested teas sold only by A & P... and give guests a treat that's both flavorful and colorful!

TREAT-BEARING TREE

Ever hear of a donut tree? It's grand to have on a party table... especially when it bears light, tender JANE PARKER DONUTS! To make one, insert several knitting needles in the holes of a flower holder, and ring them with lots of JANE PARKER DONUTS. (You can buy a tree-full for a trifle at your A&P!) Mighty fetching... and saves you fetching the "seconds" everyone's sure to want.

MUFFIN MAGIC

Want to turn plain muffins into taste-thrilling, eye-filling party fare? Half fill greased muffin tins with your favorite muffin batter or prepared mix; and before baking, top with 3 tbsps. of luscious ANN PAGE ORANGE MARMALADE from the A&P. It will give your muffins an attractive glaze and a taste guests will praise!
