and February. The January award was won by Franklin Troop 1, but it was delayed in arriving and will be presented later.

Group singing of "America" and "Taps" was led by John M. Archer, III, and of "God Bless America" by Don Tyndall, of Cherokee, and Frank Henry III, led the pledge of allegiance to the flag. The meeting closed with the Scout benediction, pronounced by Ross Zachary, cubmaster.

W. A. Enzor, of Cherokee, presided.

dent adjudged the best citizen of the Franklin school. The method of selecting the best citizen is to be worked out with Mr. Finley.

Choosing as her topic, "Youth Looks At Our Schools", Mrs. Clinton Johnson, high school teacher, presented the evening's program.

In a short talk she pointed out that youth's first general criticism of the schools is the lack of physical equipment. criticism of the school is the ren are that the schools do not offer what the children wanted, do not teach them how to study, and do not prepare them to get along in life.

Mrs. Johnson said various wants listed by the children are that they want to study more interesting things, that they want to take courses that deal with daily life, and that they want an equal chance for all children.

The talk was followed by the presentation of two short films. Charles Thomas, a high school student, gave the devotional.

**Burners Are
Required To
Get Permits**

Burning permits are required between February 1, and June 1, J. Fred Bryson, county forest warden, pointed out this week.

With spring approaching, Mr. Bryson said, there will be some burning to be done, and he urged the people of the county not only to obtain burning permits, as required, but also to be "extra careful not to let that fire escape into the forests we are depending on to make lumber some of these days."

"Before burning", he urged, "be sure to get a permit from an authorized agent and have plenty of help; then don't leave until all danger of the fire's escaping is over."

Burning permits are required, he said, if the fire is within 500 feet of woods, unless it is within 500 feet of a dwelling.

Permits, for which no charge is made, may be obtained from Mr. Bryson or any of the following: M. L. Norris, Otto, Andrew Gregory, Gneiss, Floyd Ramsey, Tellico, Hollis Clark, Kyle, Mrs. Albert Brown, Sealy, Carr Bryson, Cowee, W. W. Cochran's store, Flats, or the register of deeds office in Franklin.

The electric trackless trolley made its debut in 1928, in Salt Lake City.
