FARM AND HOME WEEK PLANNED AT CULLOWHEE

W. C. T. C. Event Will Serve Farm Folk Of This Area

The Western North Carolina Area Advisory Committee on Resource-use Education voted in Cullowhee recently to sponsor a Western Carolina Teachers college farm project, a farm-and-home week for the people of Western North Carolina, early in August.

Tentative plans call for bringing a select group of farm men and women from the state's western counties to Western Carolina Teachers college for a series of courses in practical farming and in problems relating to farm life.

An executive committee was appointed to work out details of the project, and to secure the cooperation and support of State college and of the state and federal departments of agriculture.

It was emphasized at the conference, which was held on the campus of W. C. T. C., that the project would not in any way conflict with the State College's Farm and Home week in Raleigh. W. C. T. C. has been designated by the State Resource-use Education Commission as the center for its program in this part of the state.

As presently planned, the project will offer, through W. C. T. C., morning courses for farmers in practical, up-to-date methods of farming, particularly in dairying, forestry, crop rotation, and soil conservation, and for the women, various home economic courses. Afternoons will be devoted to field trips. Lectures and entertainment will be offered in the evenings.

The practical, down-to-earth character of the project was emphasized throughout the meeting.

"We want to show the farm people of this section how they can live a richer life and make more money with what they have; we want them, after they've been here, to be able to go home and set an example

177 From Macon Visited Baptist Hospital In '47

Patient visits of Macon County citizens to the outpatient department of the North Carolina Baptist hospital in Winston-Salem totaled 177 for the year 1947, according to the annual report of Dr. C. Nash Herndon, director. This figure means that 115 visits were made to the hospital's outpatient department for each 10,000 residents of the county.

of more progressive farming and fuller living", Dean W. B. Herrill, of W. C. T. C., said.

Living space will be available at the college, Dean Harrill stated, for approximately 100 farm men and women, and the classes will accommodate an unlimited number of farm people who can travel to and from the college each day.

Attending the conference from Macon County were S. W. Mendenhall, county agent, and E. J. Whitmire, vocational agriculture teacher.

FOR REPRESENTATIVE

To The People of Macon County:

I wish to announce that I will become a candidate to the office of County Representative in the biennium of the North Carolina General assembly, subject to the wishes of the people of Macon County in the Democratic Primary.

In "Ear-Marking" what I think to be Macon County's most urgent needs, I wish to place better educational advantages, and better roads at the top of the list. If elected to this office, I wish to assure the people of Macon County that I will represent the majority in the General Assembly of North Carolina.

Sincerely,

CHARLES A. ELMORE

**ON ARMY DAY, APRIL 6,
there's something you can do
for WORLD PEACE**

Army Day is the day every American can set aside to salute the men in uniform. And this year, particularly, it is a day for every young man in the nation to consider the contribution he can make to World Peace.

Right now you have the finest 100% volunteer Army of any nation in the history of the world. But it is still below the strength authorized by Congress. Able men are needed for the Infantry, Artillery and Armored Cavalry.

You can make a contribution to World Peace by joining the National Guard or the Organized Reserve Corps. These splendid civilian components have been credited by top military leaders for much of the success in quick mobilization and actual winning of the last war. Today they are important factors in backing up the strength of the Regular Army.

Both Veterans and non-Veterans who meet requirements are eligible to enlist in the Organized Reserve Corps. Veterans retain the grade and rating earned in the Army.

In many high schools and most colleges, you can join the R.O.T.C. and get your military training and credit toward a Reserve commission along with your education.

Any one of these steps that you can take on Army Day will help toward making America strong. And it has never been truer than right now that **A STRONG AMERICA IS A PEACEFUL AMERICA.**

Make a point, on April 6, of stopping in at your U. S. Army and U. S. Air Force Recruiting Station and getting the information about the part you can play toward World Peace.

ON ARMY DAY

- * Display your American flag
- * Wear your Veteran's lapel button
- * Find out how you can make a contribution to World Peace in the Regular Army, the National Guard, the

Organized Reserve Corps or R.O.T.C.
* Ask for literature at your local recruiting station.

More April showers bring May flowers they're sure to bring plenty of dismal days... and the drearier the weather, the cheerier you'll want to make your meals. So here's a gay array of ideas to help you brighten up your table... and save money for a rainy day as well:

SUNSHINE SPECIAL

Here's how to make a cake that's sure to rise and shine even if the sun doesn't: Measure 1/2 cup shortening into bowl. Sift together 2 1/4 cups sifted SUNNYFIELD CAKE FLOUR from the A&P, 2 tps. baking powder, 1 tsp. salt and 1 1/4 cups sugar. Add to shortening. Add 1/2 cup orange juice and 1/4 cup water. Blend; beat 1 minute (count at least 150 strokes per minute.) Add 2 unbeaten eggs and grated rind of 1 orange. Beat 2 minutes. Bake in greased and floured 9x5x3-inch loaf pan in moderate oven, 350° F., about 55 minutes.

GRADE AID

Make the grade as a smart shopper by always choosing the grade of canned goods that's best for your purpose! It's easy to do when you buy A&P's own brands—A&P, SULTANA and IONA—because the grade of most products in these famous lines is described on the label. A&P BRAND is Grade A; SULTANA, Grade B; and IONA, Grade C. Since the nutritive value of all 3 is the same, you can save safely by using Grade C in dishes like stews, pies and sauces, which don't require foods of uniform size or delicate flavor (factors determining the grade).

HONOR ROLL

One sweet treat that always takes top honors at my house is A&P's JANE PARKER JELLY ROLL. But it will go over big with your family, too, when they taste this delicate, oven-fresh sponge-cake roll with its luscious jelly filling. Serve one soon and see! You'll find the price surprisingly modest.

FREE FOR ALL

The recipe above is one of 24 contained in the free Perfect-Blend dexo recipe booklet—25 Ways to Win Praise. After you've tried it, you'll surely want to try all the rest. So write now for this grand guide to good baking and frying! Address: A&P, Dept. G, 420 Lexington Ave., New York 17, N. Y.

They're All Our Job

There isn't a service your car requires which we aren't staffed and equipped to provide. If your car is old, it certainly needs good care to keep it on the road. If your car's new—it deserves every attention.
