**WHAT DO YOU THINK OF OUR N. C. SCHOOLS?**

Here's your chance to express your opinion—and have it count!

The North Carolina State Education Commission, authorized by the last legislature and appointed by the governor, wants to know what you think is right, and wrong, with the schools, and how to improve them. The commission is making a study of all phases of education in the state, to determine problems and recommend improvements. One method of study is a state-wide survey of public opinion, being made through the newspapers. The blank below is your opportunity to offer suggestions and comments.

The commission asks that you fill in this blank and mail it. Do it now while you are thinking about it. It will take only a few minutes. Your name will not be made public.

**Get a 'Jeep' and get Ready for Spring**

**SPRING PLANTING TIME** is just around the corner. Get your 4-wheel-drive Universal "Jeep" now and get ready for the thousand and one jobs that have to be done. Use your "Jeep" as a tractor, for everything from breaking ground to harvesting... use it for towing and hauling—on or off the road... use it to take power wherever you need it, for operating buzz saws, hammer mills, feed grinders, corn shellers and many other pieces of power-driven farm machinery.

**MUDDY ROADS** mean nothing to a Universal "Jeep": When the ground is soft and slippery, shift your "Jeep" into 4-wheel drive and go right through. On hard roads, flip a lever and instantly shift back into conventional rear-wheel drive, for highway speed and economy.
