

typical . . .

Two weeks ago the management of The Press decided to "try some of its own medicine".

It inserted a little 13-word advertisement in the Want Ad column, offering a used typewriter for sale.

The ad ran one time, but the replies are still coming in. Inquiries received by mail came, among other places, from Georgia and New York.

But the typewriter was sold before noon the day The Press came out!

That's typical of the way these little want ads work. And they cost so little—only 40 cents for anything up to 26 words.

So, if you . . .

Have something for sale—

Want a job—

Are looking for a ride to Asheville or Atlanta or some other place—

Want to buy something—

Have lost something, or found something—

TRY A PRESS WANT AD

PLAN SERIES OF PRE-SCHOOL CLINICS HERE

Will Examine Children Who Are To Enter School In Fall

A series of pre-school clinics for Macon County children who will enter school for the first time next fall has been arranged by the county health department, it was announced this week by Mrs. Frank Shope, county health nurse.

At these clinics, the children will be immunized against smallpox, diphtheria, and whooping cough, and will be given general physical inspections by the nurse. The purpose of these inspections, Mrs. Shope explained, is to discover defects, such as poor teeth, diseased tonsils, etc., so that they can be corrected before the child starts school next fall.

Mrs. Shope also emphasized that she is in the health office in the Ashear building each Saturday morning from 9 to 12, and each Monday from 9 a. m. to 4:30 p. m., for general clinics, when diphtheria, whooping cough, smallpox, and typhoid immunizations are given. She added that Dr. Mary B. H. Michal, district health officer, is in the Macon County health office each Monday afternoon from 1 to 4:30 o'clock.

The schedule of pre-school clinics arranged to date follows: Otto, at the school, today (Thursday) at 10 a. m.; Union, at the school, Tuesday, May 18, at 1 p. m.; Higdonville, May 19, 9 a. m.; Holly Springs, May 19, 1 p. m.; Lotla, May 20, 10 a. m.;

DONE PULLED OFF—When I returned from the filers' convention, I became a candidate for an old-age pension, but for any assurance of winning the race, I'd need a good lawyer to plead my case. And I found, to my great surprise, that to be eligible I would have to assert some lies, and those assertions are as embarrassing as can be. I'm not worth a damn, never have been, and never hope to be. This is a fine state and could be made finer, but our pension system is a disgrace to the State of North Carolina.

But I'm thankful to God, and I feel free, for I'm making my own living at seventy-three. And I'm too ignorant to plead the laws, so I'll try to make a living filing saws. So bring on your saws every day, and get a good dinner at Morgan's cafe. Geo. Johnson.

BRING YOUR LOGS to me. I'll saw any kind at Nantahala. 90 cents a hundred. A. L. Wilson, Flats, N. C.

FREE—Do you plan to build a home? A catalogue of home plans, designed to save you a lot of money and give you a fire-safe home, that you will still be proud of 100 years from now, is yours for the asking at The W. A. Hays Concrete Block Plant, below the bridge in Franklin. M1-1tc

Mrs. Sloan Critically Ill At Her Lotla Home

The condition of Mrs. Leon T. Sloan, who has been critically ill at her home in the Lotla community for the past 10 days, Wednesday morning was reported unchanged. Mrs. Sloan, who has been in poor health for several years, became seriously ill 10 days ago.

"The Theft of the Golden Ring", Lawrence; "The Jesus of the Parables", Smith; "The Choice", Minear; "No Trumpet Before Him", Yhite; "Thine is the Glory", Taylor; "Once Long Ago", Bruce; "A Star Shone", Trent; "At Snug Harbor Inn", Seymour; "North of the Promised Land", Wire; and "The King Nobody Wanted", Langford.

Cowee, May 20, 1 p. m.; and Slagle, May 21 at 10 a. m. Typhoid immunizations also will be given at the Slagle clinic.

The health office here will be closed all day tomorrow (Friday). Mrs. Shope and Mrs. Edith Conley, office secretary, will be in Asheville attending meeting of the Western North Carolina Public Health association.

During the school year 1946-47, the state transported an average of 346,872 students daily at a cost of \$14 per pupil. The total cost of school bus operation was \$5,006,886.

1 1-2 Billions To Be Spent In 1948 For Highways

Highway construction expenditures are expected to reach \$1,500,000,000 in 1948, according to an estimate by the U. S. Department of Commerce. This compares with \$1,154,000,000 in 1947; \$706,000,000 in 1946 and \$342,000,000 in 1945. Highway maintenance totalled slightly more than a billion dollars in 1947; \$890,000,000 in 1946; and \$922,000,000 in 1945.

From a recent survey of state highway programs, the estimated construction program for 1948 for 45 states is \$1,090,000,000 as compared to \$830,000,000 in 1947. These figures include state and federal highway construction. State maintenance expenditures for 45 states are estimated at \$366,000,000 for 1948 or compared to \$341,000,000 in 1947.

Mileage to be let to contact in 1948 is estimated at 24,500 and with work carried over from 1947 will total 40,689 miles. Of this total, 3,397 mile will be concrete pavement, 22,275 miles will be bituminous mixes and treated types, and 15,017 miles will be other types.

Recent figures by Public Roads administration place total highway construction expenditures for 1947 at \$1,248,000,000, of which \$343,000,000 was local, \$257,000,000 was state, and \$648,000,000 was federal aid including matching funds. Of the \$1,248,000,000 construction expenditure, \$203,000,000 was force account and \$1,045,000,000 was contract construction. Of the force account expenditure, \$151,000,000 was under local jurisdictions.

Total construction and maintenance amounted to \$2,238,000,000 in 1947. Federal funds involved in this total amounted to about 15 per cent.

Fresh, clean water should be available to poultry in adequate amounts at all times.
