OUR DEMOCRACY—by Met

A REMINDER

The people of our democracy cherish above all else the right and determination to live under the banner of freedom.

Let us, on this Memorial Day, reaffirm this right and purpose for which the Americans whom we gather to honor each year, gave their lives.

FINALS SERMON, GRADUATION SET FOR THIS WEEK

The first number will be "Hark! the Vester Hymn is stealing", by T. Moore, and the second, "God's Keeping", by H. Berger.

The benediction will be pronounced by Mr. Brendall, and the march from Wagner's "Tannhauser", will be used for the recessional, again with the audience seated.

Music for both the baccalaureate and graduation programs will be under the direction of Mrs. J. A. Flanagan and Mrs. Henry W. Cabe.

Featuring the graduation ex-

ercise Tuesday evening will be talks by five outstanding seniors, the presentation of awards, special musical selections, and the conferring of diplomas on the 52 girls and 32 boys to be graduated.

The graduation program will open with the singing of "America", and Mr. Brendall will pronounce the invocation.

Marie Jennings then will deliver her salutatory address, followed by a talk by Jewell Norton on "The Importance of Home Economics".

2 Others To Speak

After the girls' chorus has sung Joseph Barnby's "Swing Low", two other outstanding students, Bobby Tippet and Grace Tallent, will speak. Tippet's topic will be "Hold That Soil", and Miss Tallent will discuss "The Function of Business Education in High Schools".

For its second number, the girls' chorus will present the Negro spiritual, "Steal Away".

Principal W. H. Finley then will present awards, and County Supt. Guy L. Houk will confer the diplomas.

For her valedictory address, Ann Lyle has chosen the topic, "Youth Builds a Better World". Her talk will be followed by the seniors singing their class song, which was composed by Mrs. Cabe, with Betty Sue Angel and Juanita Allen writing the words. The program will close with the benediction by Mr. Brendall.

The marches from "Aida" and "Tannhauser" again will be used for the processional and recessional, and again the audience will remain seated.
