MARKETING with Marjorie

Between graduations, engagements and weddings, June is one of the most "entertaining" months in the year. So today I'm going to give you a few suggestions to help you give everyday fare a party air.

**PRE-WEDDING RING**  
Giving a luncheon in honor of a bride-to-be? Then I can't think of a more appropriate main course than a rice ring filled with chicken a la king...or a better way to make one than with SUNNYFIELD RICE. This fine rice from the A&P cooks up as white as a wedding gown and as light as a honeymooner's heart. For a perfect union, combine 4 cups (cooked) with one of these: 1/4 cup minced parsley, 1 cup cooked peas or 1/2 cup sliced mushrooms.

**POST-WEDDING CAKE**  
When you're entertaining newlyweds who are still up in the clouds, make them feel at home by serving cloud-light JANE PARKER ANGEL FOOD RING! This heavenly cake is so luscious they'll think it's fresh from your own oven... instead of A&P's. But if you want to add a personal touch, cover the top and sides with the fluffy frosting I'm going to give you the recipe for right now.

**ENTICING ICING**  
Boil 1/2 cup A&P's ANN PAGE SYRUP until small amount dropped in cold water forms a soft ball (238 F.). Gradually pour hot syrup over 1 stiffly beaten egg white, beating constantly. Beat until spreading consistency; add 1 tsp. A&P's ANN PAGE VANILLA EXTRACT.

**IN THE PINK**  
Is your guest of honor a sweet girl graduate? Serve a salad that looks as rosy as her future! To make it, pare a whole honeydew melon, cut a slice from end, remove seeds, and scoop out center portion. Fill cavity with A&P's SPARKLE STRAWBERRY GELATIN prepared according to package directions, and chill till gelatin is firm. Soften 6 ounces of cream cheese slightly with milk, add a few drops of red vegetable coloring, and frost entire outside of melon. Stud with strawberry halves, slice and serve on greens.
