## 200-Bushel Corn Contestants Must File Applications

Macon County farmers wishing to enter the statewide 200-bushel corn contest must file their applications with the county agent's office by Monday, June 28, it was announced this week by T. H. Fagg, assistant agent.  
Prizes totaling \$2,000 are offered to the farmer making the largest yield above 200 bushels. The competition is open to any farmer who follows the rules and recommendations set up for the contest.  
The contest is sponsored by N. C. Foundation Seed Producers, Inc., the Cleveland County fair, the Southern States fair, and the North Carolina State fair.

## Demonstration Club At Holy Springs To Hold Special Meet

A special meeting of the Holy Springs Home Demonstration club has been called for this (Thursday) evening at 7 o'clock at the home of Mrs. Frank Cabe.  
This is a make-up meeting for May, and the demonstration will be on "Getting More Color in Your Meal".

## BUILD WELL WITH STRUCTURAL STEEL BUILDINGS BY LURIA

Ideal for plants and warehouses where large open areas are needed.

Glass fronts can be adapted to any business or commercial use.

### ECONOMY . . . . . ADAPTABILITY . . . . . UTILITY

- Basic structure allows a minimum of 4000 square feet of clear, unobstructed space.
- Architectural fronts can be adapted to any business use.
- Structural frame of heavy rolled steel sections is designed to meet building codes.
- Various widths and lengths of Standard Luria Buildings are available for almost any industrial, architectural or recreational purpose.
- Roofing and siding may be corrugated steel, corrugated asbestos, or masonry walls and built-up roof.

Dave Steel Company . . . a great name in steel fabrication . . . offers its engineering facilities to help you plan and erect the proper structure for your specific needs.
