**OUR DEMOCRACY** — by Mat

"Of a good beginning cometh a good end."  
—OLD PROVERB

A NEW YEAR LIES AHEAD — A YEAR THAT DEMANDS POSITIVE ACTION OF ALL OF US — A YEAR TO BE FACED WITH HIGH RESOLVE.

IF WE AMERICANS MAKE AND CARRY THROUGH THE FAR-REACHING RESOLUTIONS THAT ARE CALLED FOR THIS YEAR AT THIS PARTICULAR SEASON —

WE WILL BECOME BETTER CITIZENS THROUGH FULLER ACCEPTANCE OF OUR RESPONSIBILITIES.

WE WILL BECOME MORE FULLY ROUNDED INDIVIDUALS THROUGH STRIVING TO REACH OUR HIGHEST CAPACITIES.

WE WILL, IN OUR FAMILY AND NATIONAL LIFE, ACHIEVE GREATER HAPPINESS AND SECURITY THROUGH UNDERSTANDING, THROUGH PRUDENT MANAGEMENT OF OUR RESOURCES FOR THE NEEDS OF THE DAY AND OF THE MORROW.

—AND FROM OUR GOOD BEGINNING WILL COME A FURTHER STRENGTHENING OF OUR DEMOCRACY.

Mr. and Mrs. Edwin Mozeley and son, Eddie, and Mrs. Grady Mozeley and Miss Marie Davis, of Charlotte, are visiting relatives here this week.

Mr. and Mrs. Carl Sorrells and daughter, Carlene, and Misses Irene and Carolyn Medford attended the annual picnic of the County Youth's Fellowship at Cliffside Lake last Wednesday.

A shower was given by the Misses Grant at the home of their parents, the Rev. and Mrs. D. P. Grant, of Franklin, in honor of Miss Joan Potts last Saturday evening. Many useful and beautiful gifts were received. Refreshments were served.

Weaver Carter returned home last week after visiting his son, Louie Carter, and family in Sylva.

A family "get together" was held recently by the Morgan family at the home of Mrs. J. M. and Robert Morgan. About thirty relatives were present, and a bountiful dinner was served.

**ACP Offers  
2 Kinds Of  
Farmer Aid**

To meet the urgent need for soil and water conservation, the Agricultural Conservation program provides for two kinds of assistance to farmers, says Robert Fulton, Chairman of the Macon County Agricultural Conservation committee. According to Mr. Fulton, the program provides:

(1) About 50 per cent of the "out-of-pocket" cost of the practices in the form of payments made after the approved practices have been carried out. The payment is limited by the amount of money allocated to the county for conservation work under the ACP program.

(2) Assistance in obtaining materials, such as lime and phosphate. Quite often this assistance is in the form of a "purchase order" which takes care of a part of the cost of the materials.

All assistance under the program, whether in the form of payments, materials or services, averages about 50 per cent of the cost. The assistance tilts the scales in favor of getting farmers to carry out soil-conservation practices on these farms, where good soil would otherwise go down the river, Mr. Fulton remarked.
