MISS KIMSEY IS BRIDE OF DILLARD NICHOLSON

Mrs. Hester Kimsey Carpenter has announced the marriage of her daughter, Miss Joyce Kimsey, to Dillard Nicholson.

The wedding took place July 4 in the decorated living room of Mrs. Kate Keener, a friend of the bride, at Clayton, Ga., with Justice of the Peace Ed Keener officiating.

The bride was attired in a navy blue gabardine suit, with white accessories. Her corsage was of sweet peas and rose buds.

After the ceremony, the couple was honored at a picnic lunch given by friends at the Coweeta Experiment Station, and the following Sunday Mr. and Mrs. J. C. Sanders entertained for the wedding party with a chicken supper.

Mrs. Nicholson, the daughter of Mrs. Carpenter and of the late George Kimsey, is a graduate of the Franklin High school, class of 1948. Mr. Nicholson is the son of Mr. and Mrs. H. D. Nicholson, of the Cartoogechaye community. He was educated at the Towns County High school, Hiwassee, Ga., and is in the lumber business.

At present the couple are making their home with the bride's parents.

MR. AND MRS. DANIELS HONOR SON AND BRIDE

Mr. and Mrs. C. C. Daniels, who are here from New York for the summer, entertained at "Dixie Hall" Saturday evening with a reception, honoring their son, James R. Daniels, and Mrs. Daniels, whose wedding was a New York State social event of June 5.

A color scheme of white and yellow was used in the attractive decorations throughout the house.

Miss Hope Daniels, sister of the recent bridegroom, greeted the guests at the door, and Mr. and Mrs. C. C. Daniels presented them to Mr. and Mrs. James R. Daniels.

Miss Harriette Kinnebrew and Mrs. James Fowler invited the guests into the dining room, where the dining table was centered with a bowl of yellow roses and baby's breath, and lit by yellow tapers in silver candlesticks. The color scheme also was carried out in the ice cream and cake.

Mrs. Reby S. Tessier presided at the punch bowl, and Miss Lillian Jones, Mrs. Irene Carey, of Knoxville, Tenn., Mrs. George Tessier, and Mrs. Allen Sizer served.

About 50 friends called during the evening.

BRIDGE AND SHOWER HONOR MISS LOUISE PENDERGRASS

Mrs. Willard R. Pendergrass and Mrs. Roy Pendergrass entertained with six tables of bridge and a linen shower at Panorama court Friday evening of last week as a courtesy to Miss Louise Pendergrass, whose marriage to William Laughlin Holliday was a social event of Sunday afternoon.

Panorama dining room was arranged with vari-colored gladioli and the bride's table, which was covered with a lace cloth, was centered with a bowl of white gladioli and flanked with lighted white tapers. Furthering the table decorations was the candle miniature bride and groom and the three-tiered wedding cake.

Mrs. J. Ward Long was winner of the high score prize, Mrs. Woodrow Keeves was presented the prize for second high, Mrs. James Dance was awarded the prize for holding low score, and the bingo prize went to Miss Barbara Stockton.

A salad course was served by the hostesses.

Personal Mention

Mrs. Harold T. Sloan returned last week from a visit to her daughter, Miss Dorothy Sloan, in Richmond, Va. On her return, Mrs. Sloan was accompanied by her daughter, who is spending her vacation here with

CARD OF THANKS

We wish to express our gratitude for the kindness and sympathy shown us in our recent bereavement, also for the beautiful floral offerings.

Mr. and Mrs. Vance Rogers.

CARD OF THANKS

We wish to express our appreciation to our many friends for the sympathy and kindness shown during our period of bereavement and to thank them for the beautiful floral offerings.

Mrs. L. W. Hauser and Family.

Scaly

Mr. and Mrs. Warren Lehman are occupying their summer home here for the remainder of the season.

A revival is in progress at the Church of God at Scaly. The Rev. Vernon Wood is the evangelist.

J. W. Phillips, of Athens, Ga., spent last week visiting relatives at Scaly.

Misses Lucille and Selma Sug Vinson visited their aunt, Mrs. C. E. Thurmond, at Rabun Gap, Ga., last week-end.

Mr. and Mrs. Edgar James are spending their vacation at her parents.

Miss Lillian Jones, who is employed in Greenville, S. C., spent last week-end here with her parents, Mr. and Mrs. Gilmer A. Jones.

Mrs. I. L. Easton, of Lenoir City, Tenn., is here visiting her mother, Mrs. J. S. Sloan.

Get Bigger Yields From Treated Seed

Soybean seed treatment before planting has proved to be "a very good form of insurance for growers to take out," Howard R. Garriss, extension plant pathologist at State college, said recently after inspecting 10 demonstrations in several eastern counties of the state.

"In every demonstration checked," Mr. Garriss stated, "there was an increase in stand, their home here.

Mrs. George C. Dowdle, of near Franklin, is visiting her daughter, Mrs. Fred H. Vinson, and family this week.

The Rev. and Mrs. L. R. Gasaway attended the recent Church of God camp meeting at Charlotte.

as compared to adjacent plots planted to untreated seed from the same lot. Stands in these 10 demonstrations were increased from 11 to 208 per cent, with an average increase of 62 per cent, over the untreated plots."

D. W. Ballance, Pasquotank county, obtained a stand increase of 208 per cent. On the treated plot he had 261 plants per 25 feet of row as compared with only 52 plants per 25 feet on the untreated area.

W. E. Cox, Beaufort county, obtained a 98 per cent increase in stand; M. B. Boone, Pasquotank, 83 per cent; Gilmer Tunnell, Hyde, 72 per cent; and W. C. Waters, Beaufort, 48 per cent.

Mr. Garriss said that seed treatment usually is more effective in the earlier plantings, but the Ballance demonstration, on which the greatest increase in stand was shown, was not planted until June 29, later than most of the soybean crop.

Soybeans on the demonstration plots checked recently were

from knee to waist high. In nearly all cases, the pathologist stated, there was a noticeable difference in the height, spread, and color of beans in treated and untreated plots. The treated rows were higher and broader, and generally appeared to be a little darker green in color. Plants from treated seed showed up better because they started off more quickly and developed better root systems.

JUST DEVELOPS

No woman really makes a fool out of a man; she merely gives him an opportunity to develop his natural capacities.

The number of homes destroyed or damaged by fire in 1946 is twice the total number of dwellings in the state of New Hampshire.
