## NEW CLASSES ADDED TO '48 FLOWER SHOW

Mrs. Michael And Parry Plan Non-Competitive Exhibits

More space will be allotted to exhibits and a number of new classes added at the Fifth Annual Museum Flower show, which will be held August 14. This year the show will be kept open until 9 o'clock in the evening.

Mrs. A. B. Michael, who has been a consistent winner in past years, has consented to put on an individual exhibit which will be out of the competition; Dr. William H. Parry also will arrange an exhibit of named variety dahlias not in competition. These two exhibits are expected to be of great value to dahlia growers.

Mrs. Green Warren has been appointed chairman of the flower show this year, succeeding Mrs. Elliot Caziare, who headed a successful show last year.

Mrs. Warren will distribute a complete statement of rules and schedules to all Highlands post office box holders and additional copies will be available at the library and at the museum.

The proceeds from the flower show will go to the High-

X-Ray, Fluoroscope Are Purchased By Highlands Hospital

The board of trustees of the Highlands Community Hospital, Inc., has announced the purchase of a combination X-ray and fluoroscope unit, said to be as complete as those used in any general hospital. The board also announced that the new machine temporarily is located in the office of Dr. William A. Matthews and will be available to any regular practicing physician in this area.

Brochures showing the entire plans of the hospital are being mailed by the board of trustees, who said that any one desiring to make a contribution to the hospital can do so at the bank here or through H. S. Talley, hospital treasurer.

Wheeler Is Heard In Highlands On Cherokee Crafts

H. E. Wheeler spoke to a small but enthusiastic audience at the Highlands museum on Wednesday evening of last week, using as his subject "The Ancient Handicraft of the Cherokees". Mr. Wheeler is director of the museum of the Cherokee Indians at Cherokee. He made the Indian a very real person to his hearers, and pictured him as one worthy of great respect and sympathy.

Mr. Wheeler was the first director of the Highlands museum, a position he held for four years, doing much to get the institution off to a successful start.

lands Museum and Biological laboratory, which depends for its operating revenue entirely on the generosity of the public. Admission will be \$1 for adults, and 50 cents for children under 12 years. Tickets will be on sale next week at various public places.

Everyone within a radius of ten miles of Highlands is urged to take an active part in the show and to enter as many classes as possible.

The annual bride tea for the benefit of the Highlands Museum and Biological laboratory, held July 27, netted \$130 for the corporation's operating fund. For several years the Misses Clarissa and Marguerite Ravenel have offered their summer home, "Wolf Ridge", on Fodderstack mountain for this annual event.

Mrs. Robert Hager was in charge of arrangements and other assisting the Misses Ravenel in entertaining were Miss Rebecca Nall, Mrs. Arthur L. Bliss, Mrs. George A. Townsend, Mrs. Clark Foreman, Mrs. Allan Brown, Miss Dorothea Harbison, Mrs. Robert Dupree, and B. E. Fernow, president of the Museum and Biological laboratory.

In addition to the 26 tables that were in play, a number of tea guests called during the afternoon. The 28 prizes for the occasion included a first and second ladies' high; a first and second man's high; a first and second ladies' low; a first and second men's low; other table prizes; and a first, second, third and fourth door prize.

The prizes were given by the following business houses and individuals: Brown's store, The
