# ON BEER, WINE ISSUE AUG. 28

#### Election Will Decide Whether Sale Here Continues Legal

Macon County voters will go to the polls Saturday of next week (August 28) to ballot in a special election on the issue of legal sale of beer and wine in this county.

The election was called by the county board of elections several weeks ago in response to a petition signed by more than the 796 qualified voters required by law.

The ballots will offer the voter the opportunity to express himself on two propositions. He may vote "for the legal sale of wine" or "against the legal sale of wine"; and "for the legal sale of beer" or 'against the legal sale of beer".

Beer is now sold legally in this county. Although wine legally may be sold here under the present law, no applicant for a license to sell wine has met the requirements set up by the state

If the majority of the votes cast are against the legal sale of beer and/or wine, legal sales of those beverages will be out-lawed 60 days from the date of the election. But if the majority favors legal sales, the situation would continue as at present.

Since the legal sales of beer and wine are submitted as separate propositions, it would be possible for the voters to outlaw one and leave the other legal, though such a result is not anticipated.

While no new registration was required for this special election, the registration books were open for three weeks to permit persons who were not registered to get their names on the books. Registration ended last Saturday, and Saturday of this week will be challenge

The polls at the 12 voting places in this county will be open from 6:30 a. m. to 6:30 places

This election is the second called to pass upon this issue. A vote set for last February 14 was halted by court order, issued upon a complaint alleging irregularities in the petition upon which the earlier election was called.

COMMISSIONERS TO MEET Monday's scheduled meeting of the board of county commissioners was postponed one week. The board will meet next Monday morning.

#### Do You Remember ...? (Looking backward through the files of The Press)

50 YEARS AGO THIS WEEK It is said that Mr. Dan Ashe, over on Savannah, heard a noise in his house the night of the freshet and on getting out of bed he found himself stand-

ing in 14 inches of water. We hear considerable complaint among our business-men that for the last week or two freights have been increasby the Southern Railway company, in some cases very heavy extra rates have been paid. The Press is a victim of this increase.

25 YEARS AGO

The Boy's club, known as "The Knights of Arthur", have started a play ground behind St. Agnes Episcopal church. All the boys of the community are invited and urged to take advantage of this playground and to become members of "The Knights of King Arthur".

10 YEARS AGO

An election to decide upon a bond issue of \$35,000 was called by the town board at a meeting held Monday night. The election will be held on Sep-tember 20. The bonds, if issued, will be appropriated as follows: For streets, \$8,000; for side-walks, \$4,000; for water system \$17,000; for sewer extension, \$6,000. Should the majority of voters approve the issue, the bonds will furnish funds to hov-er 55 per cent of the improvements contemplated, and the remaining 45 per cent will be paid by the Public Works administration as an outright

## **VOTERS TO PASS Expect 1,200 In Macon** To Register For Draft Starting On August 30 AT C.OF C.BOOTH

Macon County young mensome 1,200 of them-will regis-ter for the draft during the three-week period starting August 30.

The draft law calls for the registration of all young men between the ages of 18 and 25, inclusive.

The procedure for the registration in North Carolina and the dates on which different age groups will register were set forth in a proclamation issued Monday by Governor R. Gregg Cherry.

The place and the details for the Macon County registration will be announced later, E. W. Long, local draft board chairman, said this week.

The draft is expected to be handled in this county by the same personnel that was in charge when selective service was suspended, following the end of World War 2.

Mr. Long, Charles M. Rogers, and Lawrence B. Liner, members of the local board at that time, were asked to go on reserve, and their reappointments by the President have been rec-

ommended by Gov. Cherry.

Meanwhile, the three men met

# CHURCH ANNEX **NEARLY READY**

#### On Saturday Presbyterians To Start Using First Floor Next Month

The new Presbyterian church annex is expected to be ready for partial use by September 1, according to the Rev. Hoyt Evans, pastor.

The entire first floor will be completed and ready for use, but the upstairs will be unfinished at this time, Mr. Evans said. The steeple and bell on the old building have been restored, he added.

While there will be no for-mal dedication at this time, spe-cial services for the opening Sunday were being planned.

Ground was broken for the annex, which will consist of 11 classrooms, a kitchen, an audi-torium, etc., March 9, and the first brick were laid May 11,

The building is a brick and tile structure, built at the rear of the present church. Careful planning has been done so that the annex and the restored steeple and bell will harmonize with the old struc-

The original building, a pre-civil war structure, is one of the Slagle memorial. Franklin's oldest buildings and has been praised by architects was to discuss budgetary matas one of the best designed proportioned, from an architect's viewpoint, in this region.

The new steeple, which has been erected in place of the one torn down, is five feet square at the base and rises 19 feet above the ridge. The spire, of aluminum, was made by John

Mr. Evans expressed appreciation to the people of all de-nominations who have "been so generous in their 'assistance" this project.

651,000 VISIT PARK

Visitors in the Great Smoky Mountains National Park for the period October 1 - June 30 totaled 651,680 persons, an increase

### Nearly 100,000 Pieces Of Literature Is Distributed

4.000 PERSONS

MAKE INQUIRIES

More than 4,000 persons, representing every state in the Union, the Philippine Islands, and five foreign countries, calied at the Franklin Chamber of Commerce booth on Main street during June and July, figures compiled by the chamber re-

In commenting on the organization's activities this season, officials said the chamber has had one of the best season's in it's history, despite the polio handicap, adding that this would have been a top tourist year, had it not been for the fact that many persons left Franklin, or canceled plans to come here for vacations, because of the polio scare.

Frank I. Murray, secretary, cited ligures indicating widespread interest in Franklin. Nearly 100,000 pieces of literature have been distributed this season, he said, either to persons who called at the booth or in answer to inquiries by mail.

This total was made of some 3,000 copies of the Franklin scenic booklet; 2,000 copies of the tourist directory of Franklin; 1,000 copies of "High Tops", regional publication containing a page advertisement and story about Franklin; and 2,500 pieces of literature about the Nantahala National Forest.

In addition, 1,200 personal letters have been written in reply to inquiries.

The bulk of this season's tourists have come from Floraa, Georgia, Ohio, Illinois, New York, and Texas, but persons have called at the booth from the other 42 states, from Honolulu, anl from the Bahama Islands; Brazil, Panama, Mexico. and Canada.

The total number of visitors June was 1,820, while the figure for July was 2,472.

More Than 2,000 Macon Folk Given Free Chest X-rays

More than 2,000 Macon County aduits have had chest-Xrays made since the State Board of Health mobile X-ray unit came to this county, it was announced yesterday.

A total of 643 were X-dayed the first week; 1,211 the second week and 190 on Tuesday of this week. Yesterday's figure was expected to approximate 175.

The mobile unit will be at David Ledford's store, in the Burningtown community Tuesday and Wednesday or next week, it was anyesterday noon, returning to Franklin for the last four days of its stay in this county.

the unit, which originally was scheduled to be here only through August 28, was remain through August 31. The unit's personnel does not work Sunday or Monday, but will be on duty in this county on Tuesday, the thirty-lirst.

Meanwhile, a number of Macon County persons who were X-rayed early in the survey have been requested to report to Waynesville for an enlarged X-ray lung picture (to be made without charge by the state). Their first X-rays, already devel-oped and read in Raleigh, indicate trouble, it was explained, and the larger picture is sought with a view to determining definitely if tuberculosis is present.

### REPORT 1 POLIC CASE IN 15 DAYS

Restrictions Still In Effect, But May Be Lifted Soon

Only one case of poliomyelitis has developed here in the past

When the illness of Margaret Frances Penland, five-year old daughter of Mr. and Mrs. Carl Penland, who live on the Thomas place, near the Franklin airport, was diagnosed as polio, it brought to nine the number of Macon County children who have developed the disease this summer. The child was taken to the Asheville Orthopedic home Wednesday night or last

Although she has been quite ill, her condition was reported this week as satisfactory.

Meanwhile, authorities at the Orthopedic home have indicated their belief that none of the eight children will suffer severe crippling effects from the disease. They added, however, that it is too early to say definitely.

Contrary to widespread reports, the diagnosis of none of Prominent Lions who attend- from this county has been ed included D. J. Whitner, district governor, of Boone, John F. Bost, of Lenoir, H. Paul The diagnoses are based upon microscopic examinations of the patients' spinal fluid, it was explained.

The restrictions requiring children to remain at home continue in effect, and probably will be kept in force until two weeks-the quarantine periodafter the date of the onset of the last case of polio here, it was said. Should no further cases develop, that would be two weeks from the time the Penland child was diagnosed as suffering from polio, or August

#### New Athletic And Recreation Head

Takes Up Duties
Milburn R. Atkins, who recently was employed on a yearround basis to serve as athietic coach and physical education instructor at the Franklin school during the school year and as director of a program of community recreation in summer, arrived in Franklin the latter part of last week, and assumed his new duties Monday. His first task was to check

on the athletic equipment at the school, Supt. G. L. Houk A little later, football practice will get under way.

Mr. Atkins, whose state salary

as a teacher is being supplemented by donations made by local business and professional men, and Mrs. Atkins and their child, have taken the garage get married if the right man apartment in the Phillips house

### MANN IS MOVED TO CLASSROOM **POSITION HERE**

#### E. G. Crawford To Otto, W. G. Crawtord To Slagle

Mann, center of Smithbridge township school controversy, will be transferred at the beginning of this school year from the Otto school, where he has served as prin-cipal for the past eight years, to a classroom teaching assign-ment in the Franklin school.

The transfer was decided upon Saturday afternoon at an executive meeting of the county board of education with the county superintendent and the committeemen, teachers were assigned to schools throughout the county system. Mr. Mann's transfer was one of a number of shifts made by the board.

One Smithbridge delegation urging Mr. Mann's removal, and another asking that he be reassigned to the Otto principalship, appeared before the board of education at its meeting August 2.

Supt., Guy L. Houk, in anouncing the teacher assignments, said he had recommended the transier board, and that he did so in compliance with a request from Mr. Mann that he be relieved of the burdens of a principaisnip and be given a classroom teaching position. Mr. Houk added he had expressed appreciation to Mr. Mann for his good work at Otto. The former Otto principal will teach one of the upper grades in the elemenschool here, Mr. Houk

The Highlands list of teachers was not included in Saturday's assignments, and the principal-ship of the Kyle school is yet to be filled.

E. G. Crawford, who served principal of Slagle school last year, was chosen to succeed Mr. Mann as principal at Otto, and W. G. (Bill) Crawford, Franklin high school faculty member and coach, was ap pointed to succeed his brother as Slagle principal.

Miss May McCoy, who has been teaching in the Burningtown school, which this year is being consolidated with Iotla, was appointed principal at Holly Springs. She succeeds Santord Smith, who has moved to Eastern North Carolina. Mrs. Minnie Tallent, teacher at Oak Dale, which also is being consolidated with Iotla, was assigned to the latter school.

Miss Frances Crunkleton, of Highlands, who is being added to the Macon County teaching staff, will succeed A. J. amith, resigned, at Gold Mine.

Mrs. Mildred Richardson is be ing transferred from Otto to Iotla, Mrs. Bertha C. smart from Slagle to Iotia, Mrs. J. C. Horsley from Otto to Siagle, Mrs. Beatrice M. Aliey from Iotla to Otto, Miss Lolita Dean from Kyle to Iotia, Mrs. Martina Cunningham from Iotia to stag-le, and Carl C. Tailey from Otter Creek to Kyle.

Teachers who have never taught here before, or are returning to Macon County school rooms after absences, include Miss Crunkleton, Milburn At-kins, of Knoxville, Tenn., athletic coach and physical education director at the Franklin school, Mrs. Rufus Pannell, of Franklin, assigned to the Iotla school, Mrs. Lola Howard, assigned to Otto, and Miss Bessie Penland assigned to Scaly.

The complete list of schools and the teachers assigned to each follows, the first named
