Memorial Fund Called 'Investment In Future'

ed out that this was not a drive

to help some people away from here. He said in fact that it wasn't a drive but instead it was offering the people of Macon County an opportunity to invest dollars in the future of Macon County. "Dollars which are still openings since the sur- through the years would grow vey showed there is a shortage as an investment to d grow would be spent on Macon as an investment to almost limitless proportions.

The speaker also pointed out that by offering our children a chance at a higher education we were increasing their ability to think and to work out in the future a solution to world peace. Mr. Jones gave a brief sketch

PRIZE WINNERS-Jerry Sutton, 12-year old son of Mr. and Mrs. Charley Sutton, of the Clark's Chapel section, and the pure bred Guernsey helfer, Sutton's "Farm May", given him by his grandmother, Mrs. Candler Sutton, won a red ribbon Tuesday at the Junior Dairy show at Asheville.

of the history of the present memorial fund, which started as a fund of \$1,005.00 following World War I, and has now grown to an approximate figure of \$4,000.00. The Macon County Scrap Iron Committee contributed a \$750 bond to this memorial. This bend had been received as first prize in the state wide scrap iron contest during a hard charging line. Thomas the war. He pointed out that to date that seven persons had benefited from the interest of this fund since 1932 and that the principal had been increased during the years. He added that by combining the present jund with the one to be raised the interest would be much larger nd many more children could be helped each year.

In closing he said, "I know of no way which one can derive more personal satisfaction than to be able to say to a young person who otherwise could not a higher education in receive the field they desire to pursue; 'here is assistance. Go, and continue your work." He added that they will not fail you but strive petuate
