### have these Tire Features

# MOST WANTED by MOST PEOPLE

**FOR WOMEN**

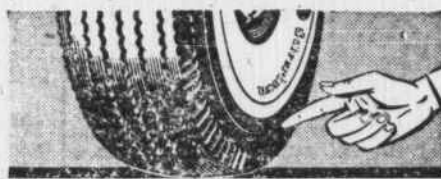

**Rides Like a Dream!** Car owners long have praised the riding comfort of Silvertowns, now backed by blind-fold test proof; among comparable tires Silvertown is the *comfort choice*.

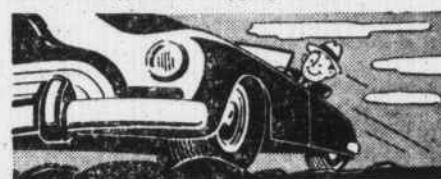

**No Disturbing Road Hum!** The scientific design approved by auto engineers for quietness ends annoying growl and road hum; keeps squeal on curves to a minimum. Reduces riding fatigue.

**FOR MEN**

**Wider, Square Riding Tread!** The broader "Road Level" tread rides square to the road, increases road contact, distributes load and wear, improves road stability, makes stopping better.

**Shrugs Off Sudden Blows!** More and stronger cords and double shock absorbing cushion layers under the tread ward off bruises, cushion road shock, reduce blowout hazard.

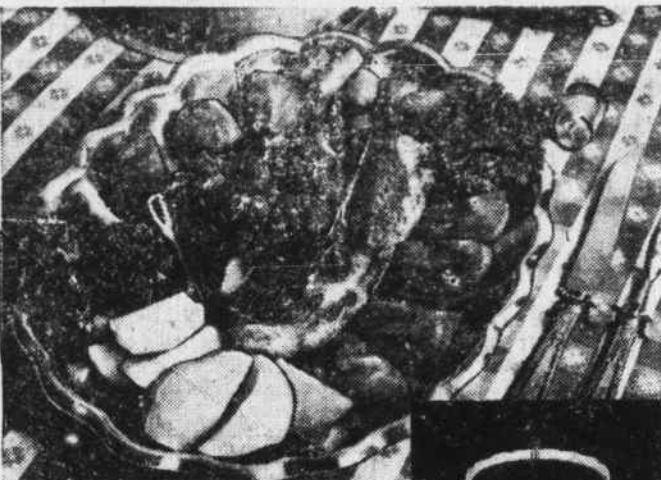

**Best Feature of All—Low Cost Mileage.** The wider, tougher "Road Level" tread is a regular miser for wear — goes thousands of miles farther for lowest cost per mile. And Big Trade-in brings 'net cost even lower. Trade today and be miles and dollars ahead.
