CAMEL MILDNESS

30-Day Test of hundreds of Camel Smokers revealed NO THROAT IRRITATION DUE TO SMOKING CAMELS

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week their throats were examined by noted throat specialists—a total of 2470 examinations—and these doctors found not one single case of throat irritation due to smoking Camels.

thank you . . .

I cannot say in mere words how deeply I appreciate the patronage I have received from the people of Macon and surrounding counties during my two years as the Willys Jeep dealer here.

It has been a pleasure to be associated with you good people.

I am grateful, too, for many personal courtesies, and my family and I will leave Franklin with genuine regret.

W. E. YARBROUGH

To our many customers and friends in Franklin:

It is with much regret that I leave Franklin for Asheville headquarters.

I appreciate very much the many long established accounts our company has enjoyed through out the years, and particularly am I grateful to those of you whose business has been given to me. The fact that I am leaving Franklin as my home does not in any way lessen our interest in you, nor does it effect the prompt service which has built our company into one with an A-plus (Excellent) rating with Dunne's and Best's.

We earnestly solicit your continued patronage with the assurance that I will continue to call regularly in Franklin.

When interested in fire insurance let us serve you with SAFETY plus SAVINGS. Our service on loss is UNEQUALED.

Remember we are a North Carolina company with home office in Charlotte.

Since 1922 we have paid not less than thirty-five per cent dividend to our policyholders. We see no reason for change.
