Chevrolet... Leader in Value

Your choice for QUALITY on all these counts

... at prices that are lower than those of any other car in its field!

Your No. 1 Choice for RIDING SMOOTHNESS

There's a very good reason why people agree that Chevrolet gives a much smoother, steadier, safer ride than other cars in its field. That reason is that Chevrolet alone has the original Unitized Knee-Action Ride, backed by more than 14 years' experience in building Knee-Action units. This feature is found elsewhere only in higher-priced cars.

Your No. 1 Choice for PERFORMANCE with ECONOMY

You will enjoy much finer performance with economy in Chevrolet. Its world's champion Valve-in-Head Thrift-Master engine holds all records for miles served, owners satisfied, and years tested and proved. And Valve-in-Head engine-design, like so many other Big-Car quality features, is an advantage that is found only in Chevrolet and higher-priced cars.

Your No. 1 Choice for ALL-ROUND SAFETY

You and your family will ride in safety, thanks to extra-strong Fisher Unisteel Body-Construction—safety plate glass in windshield and windows—the unmatched road-steadiness of the Unitized Knee-Action Ride—and the greater stopping-power of Positive-Action Hydraulic Brakes—fourfold safety-protection exclusive to Chevrolet and more expensive cars!

Your No. 1 Choice for TASTEFUL BEAUTY

You know—and your friends know—that the emblem, Body by Fisher, is the hallmark of bodies that are better by far. Chevrolet's Bodies by Fisher reveal this finer quality inside and out—in every detail—including the hardware, the upholstery and all appointments. Naturally, these finer bodies are exclusive to Chevrolet and higher-priced cars.
