Win North Carolina 4-H Championships

NORTH CAROLINA 4-H State winners in the 1948 Canning, Dress Revue, Food Preparation and Home Improvement programs, who each received an all-expense trip to the 27th National 4-H Club Congress in Chicago, and brief outlines of their records follow:

If you visited his home in Raleigh, you would readily see why Carlisle Franks, 17, has been named State winner in the 1948 National 4-H Home Improvement program. Carlisle refinished and rearranged the furniture in his bedroom, painted the kitchen and dining room woodwork and all the kitchen furniture, and helped re-roof the house and remove an unwanted porch. During five years in 4-H he has completed 11 projects, including two in home improvement, and has served his local club as president, vice-president, and secretary. In recognition of his achievements, The Sears-Roebuck Foundation is providing Carlisle with an all-expense trip to the National 4-H Club Congress, Chicago.

The Kerr family of Castle Hayne has no worries when it comes to being supplied with a variety of healthful foods all year round. Canning 2,595 quarts of vegetables and fruits helped 4-H'er Mary Alice Kerr, 17, win State honors in the National 4-H Canning program. In her 7 years of club work, she also planned, prepared, and served 2,389 meals, made 49 garments, and made 30 improvements in her room. She has completed 35 projects with an income of \$8,616. She was reporter for her local club and president, secretary, and reporter for the county. She is now a leader. Mary Alice was provided an all-expense trip to the National 4-H Club Congress, Chicago, by the Kerr Glass Mfg. Corp. as recognition for her outstanding achievements.

Preparing tasty, nutritious home meals is an art, well mastered by Mary Hayes Farmer, 17, Tomotla, who has been named State winner in the 1948 National 4-H Food Preparation program. Mary has prepared and served 581 meals and 7,986 separate dishes during her 6 years as a 4-H member, and she has given 45 food preparation demonstrations. She has completed 53 projects, including making 42 garments, canning 320 jars of food, completing 57 handicraft articles, gardening 57 rows and raising two animals and 50 birds. She has also been secretary and

song leader of her local club and county song leader. She is now assistant leader. As a recognition of her 4-H achievements, Mary was awarded an all-expense trip to the National 4-H Club Congress, Chicago, provided by Servel, Inc.

For the skill and knowledge shown in the planning, selecting, constructing and assembling a cotton dress which won first place in the state 1948 4-H Dress Revue, Peggy Carmon, 16, Gibsonville, won a trip to the National 4-H Club Congress, Chicago. Her winning outfit is a pale orchid cotton dress made with low round neck and cap sleeve. The skirt has three tiers, each tier very wide and full and corded where it joins the other. She made a three tier half slip of all ruffles; it makes the dress stand out as if it were a hoop. Peggy wears a picture hat, frilly gloves and sandals to complete her outfit. The cost of her outfit was \$24.71 including all accessories. State winners who participate in the National 4-H Dress Revue at Chicago will each receive a \$25.00 U. S. Savings Bond from Simplicity Pattern Company, which also provided the National Club Congress all-expense trips.

All of these activities are conducted under the direction of the Extension Service of the State Agriculture College and USDA cooperating.
