MRS. H. G. STORY

DUPREES ENTERTAIN FOR CHRISTIAN ENDEAVOR

The Rev. and Mrs. R. B. Dupree entertained on New Year's Eve with a party for members of the Christian Endeavor. Approximately twenty young people were present. Following the party, refreshments were served, and Mr. and Mrs. Dupree took their guests to the Presbyterian church, where a Watch Night service of music and song was held, welcoming in the New Year.

SWAIN HONORS DAUGHTER WITH CHRISTMAS PARTY

W. A. (Bill) Swain entertained Wednesday night of last week with a Christmas party at the home of his brother-in-law and sister, Mr. and Mrs. Louis A. Edwards, complementing his daughter, Miss Blanche Swain, of Pinehurst, Ga., who spent the holidays here.

Twenty-two young people were present and the party featured games and contests. Prizes in the bingo game ranged from baby rattles and dolls to tin horns and similar items, the winners being ordered to use their prizes

throughout the remainder of the game, creating an evening of hilarious fun.

After the games, refreshments were served and record music was enjoyed.

Personal Mention

Following a short visit here with her parents, Mr. and Mrs. Carl Zoellner, Miss Barbara Zoellner has returned to Duke hospital where she will be graduated as laboratory technician in March.

Mr. and Mrs. W. W. Edwards left Tuesday to spend some time at their winter home in Lakeland, Fla. Mrs. Edna Sheppard, who has been Edwards Hotel hostess since September, will continue to supervise the hotel while Mr. and Mrs. Edwards are away.

Mr. and Mrs. John H. C. Perry and Mr. and Mrs. W. H. Cobb and daughter, Miss Marnie Cobb, spent the week-end in Jacksonville, Fla., where they attended the football game on New Year's day.

Mr. and Mrs. H. S. Talley and daughters, the Misses Maxine and Mildred Talley, have re-

New Wiring Enables Deaf And Mothers To Hear Sermon, Music

As another step forward, the Highlands Baptist church has wired four seating places in the auditorium for making the sermon and music audible to those who are slightly deaf; it also has wired the church so that mothers may hear their babies in the nursery while they have the privilege of hearing the sermon and music.

New Chevrolet for 49
Tested and Proved...

on the world's toughest Proving Ground

WHEN you see the 1949 Chevrolets, a glance will be enough to tell you they're new—all new—in line and contour, in beauty and style. And when you look inside, and under the hood, and beneath the chassis, you'll see that their newness is not merely in outward appearance, but in design and engineering and construction as well.

But, to a lot of people, the 1949 Chevrolet is already old. They know what it will do, and how exceedingly well it will do it—they know all about its performance, its comfort, its power, safety, durability and

economy. They are the engineers and technicians of the General Motors Proving Ground—the largest, most completely equipped, outdoor testing laboratory in the automobile world.

Here, before a single new 1949 Chevro-

let went into production, experimental models were tested—made to show that they possess, in greater measure than ever, all those qualities on which Chevrolet has built its leadership.

In short, the General Motors Proving Ground tests are your assurance that your new-model Chevrolet has proved its worth through many months and many, many thousands of miles of rough handling.

Soon you will see the new Chevrolet—and when you do, you will see a car not only new, but tried and true.
