of an Army Officer

TWO NEW WAYS TO JOIN THE RANKS
OF AMERICA'S YOUNG LEADERS

DIRECT COMMISSION

A commission as second lieutenant in the Officers' Reserve Corps with a 2-year initial tour of active duty is ready for you if you meet these requirements: one year of honorable service in any of the Armed Forces between 7 December 1941 and 30 June 1947; have completed two years at an accredited college or university; U. S. citizenship; AGCT score of

110 or better; not more than 32 years old; physically fit. Once commissioned, you'll be assigned to a 3-month officers' training school, and, on successful completion, you'll be free to compete for a Regular Army Commission if you meet the competitive tour age requirements. Go to your nearest U. S. Army and U. S. Air Force Recruiting Station for complete details at once.

OCS FOR HIGH SCHOOL GRADUATES

If you've graduated from high school or can pass an equivalent examination, are between 19 and 28 years old, are a U. S. citizen, and have necessary physical qualifications, apply now for enlistment in Army OCS. After your application is approved, you'll be enlisted as a Sergeant and given basic training if you have not had it already, then sent direct to Officer Candidate School, subject to

quotas, of course. Upon graduation, you'll be commissioned a Second Lieutenant in the Reserve, and placed on two years of active duty. Top OCS graduates are commissioned in the Regular Army—all others may compete for a Regular Army Commission. Get all the facts about applying for OCS entrance at your nearest U. S. Army and U. S. Air Force Recruiting Station without delay!
