### Highlands Theatre Plans First Summer Play July 5

The organization of workshop classes. This is a new feature which it is believed will prove interesting and valuable to a large number of young people in the community, as well as to the summer colony. Classes probably will include a group in make-up, and one in set construction, and other project groups may be added, the president said, if interest warrants them.

For this season, the theatre plans to sell subscription tickets good for one evening admission to each of the three plays, and with each subscription will be included a free matinee ticket; subscribers thereby getting six tickets—three evening and three matinees. Single admission also will be available.

### WILL CLEAN CEMETERY

The Union Methodist cemetery will be cleaned Saturday, May 23, and all persons who have relatives or friends buried there are asked to come and help.

### PLAN DECORATION

A decoration service, with singing and dinner on the ground, will be held at Sugarfork Baptist church Sunday, May 29. The public is invited. Those attending are asked to bring picnic baskets.

Mr. and Mrs. R. C. Murphy, of Champaign, Ill., are the guests of Mr. and Mrs. Roy Biddle.
