

Dr. West Well Known Veterinarian, Taken By Death

(Unavoidably omitted last week)

Dr. Ralph D. West, well known Macon County veterinarian, died at his home in the Iotia Bridge community the afternoon of May 14. He was 66 years old.

A native of Haywood county, Dr. West moved here many years ago and had practiced his profession until he became ill several months ago. He had been a member of the Masonic order for 39 years. He also was a member of the Franklin Methodist church.

Survivors include his widow, the former Miss Emily Reno; two sons, Ralph R. West, of Andrews, and Norman West, of Franklin, Route 3; two sisters, Mrs. D. C. Wise, of Asheville, and Mrs. Gena Worley, of Canton; and one brother, George M. West, of Canton.

Funeral services were held May 16 at 11 a. m. at the Beaverdam Methodist church, near Canton. The Rev. A. L. Maxwell, the Rev. C. W. Kirby, and the Rev. L. E. Mabry were the officiating ministers. Members of the Pigeon River Masonic lodge, in which Dr. West had his membership, served as pallbearers and conducted the rites at the grave.

Arrangements were made by Potts funeral home.

Urges Check

Of Ladders And Habits Used In Climbing

"Check your ladders and your climbing habits, if you want to be safe," the State College Extension service warns.

Periodic inspections should be made so that unsafe ladders can be either repaired or discarded, the statement suggests.

Ladders should not be left where they will be tipped over, or bumped into. They should be stored in a readily accessible location where they can be obtained in a hurry in case of fire.

Before mounting a ladder, be sure it is set securely, the statement advises. The National Safety council recommends that the base is one-fourth the distance to the top support. A ladder should also be tied or someone should hold it, if used where there is danger of slipping.

Always face the ladder going up or down, and hold on with both hands. Take one step at a time—don't hurry. It is easier and safer to get on and off a ladder that extends well above a landing. Tools or materials that cannot be carried safely in pockets should be hoisted with a hand line.

Work facing the ladder, and hold on with one hand. Avoid working in a high wind. Avoid over-reaching or over-exertion in pushing or pulling while working on ladders. Remember that it is easy to lose balance and fall.

AND TWENTY-FIVE MILLION DOLLARS STATE SCHOOL PLANT CONSTRUCTION AND REPAIR BONDS.

The people of Macon county will take notice that Governor Scott has called a special election to be held on June 4th, 1949, on the two propositions of whether the State of North Carolina shall issue two hundred million dollars in bonds for paving and repairing secondary roads in the state, and the issuance of twenty-five million dollars to be used by the counties for school plant construction and repairs. Under instruction from the State Board of Elections the registration books for this special election will open on Saturday, May 7th, at 9:00 o'clock, and remain open until sunset on Saturday, May 21st. The various registrars in the county will be at their polling places for registering voters on the three Saturdays of May 7th, May 14th and May 21st.

This is not a special registration, therefore all persons who are now registered on the general election registration books will not have to register again for this special election. If you are not now registered in the general election registration book in your precinct, you will have to register to vote in this special road and school bond election. If you are not certain you are properly registered now, you had better check your precinct registrar on one of the three Saturdays mentioned above.

To say that you will vote for the school bond issue and neglect the road bonds is saying that you want \$1.00 worth of progress for Macon County instead of \$15.00.

HERE IS THE REASON WHY—

A vote for the school bond issue means \$112,443.00 spent in Macon County—and Macon County needs this.

A vote for the road bond issue means \$1,576,000.00 spent in Macon County. We need this too.

You citizens who live on a good road, remember how you felt when a good road was put by your house? So do unto your neighbor as he did unto you.

HE MADE MORE sacrifices to pay for your road than you will make to pay for his.
