**SON**-"Listen, Mom, why worry over that hot wood range. Have Dad to get you one of those Crosley Electric Ranges at Nolen and Harrison Electric Company. Why Mom, you can buy a range at the bargain price of \$200 installed in our home. By the way, they also sell the Amanda Home Freezer at bargain prices. You can purchase in 18 cu. ft. upright freezer at the low price of \$425."

**MOM**-"You don't mean it son, why that is cheaper than we can get it from mail order houses. Thanks for the tip son, I will have Dad to see Nolen and Harrison today about those bargains concerning electric ranges, Crosley Shelvador refrigerators, electric fans, home freezers, lighting fixtures, washing machines, electric churns or any other electric item we might need."

**SON**-"Remember Mom, the Amana home freezer is guaranteed for 5 years and gives cash protection for 5 years against loss due to food spoilage under certain conditions. Since 1852 the name Amana on products for the home maker has been a symbol of integrity, quality, and craftsmanship."

**MOM**-"Besides son, Nolen and Harrison Electric Company never sacrifice quality for a low price. I'll have Dad go there and compare quality and price."
