Coal and Wood Range...  
WITH A WRITTEN GUARANTEE.

**Greater Efficiency and Convenience! Low Priced!**  
How efficient is this modern range? Fuel savings up to 33 1/2% are not uncommon. As for its cooking efficiency—the Modern Maid owners say that it bakes evenly, browns perfectly without any pan-shifting. It's the last word in modern coal and wood range construction—the range you'll want!

**\$135.00**

**CONVENIENT TERMS**

With this Modern Maid range, you receive the manufacturer's written guarantee. This is your complete protection... insures that your range will give you trouble-free service over a long period of time. Ask to see this guarantee.

### OUTSTANDING FEATURES...

• The body of this beautiful range is finished in sparkling vitreous porcelain enamel from top to bottom. It has rounded corners and cleans as easily as a china dish.

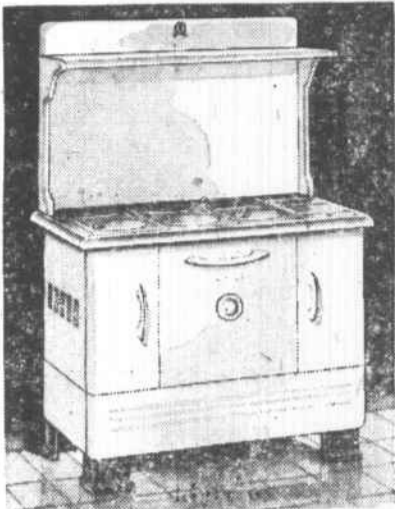

• Modern Maid has a large size oven that bakes evenly and browns perfectly without pan-shifting. Equipped with special non-stick doors.

• Furnished with duplex grates for coal or wood... also an oversized fire box.

• Modern Maid is furnished with an accurate, automatic heat indicator or thermometer in oven door. This assures better, more uniform baking.

• Modern Maid has a special, quick-heating top that makes cooking faster and saves fuel. Top has six heavy 8-bit-inch covers, satin-smooth finish.

• Modern Maid has a large, deep porcelain enameled reservoir. Heats by contact. If desired, utility basket may be had in place of reservoir. Basket handy as steamer dryer.
