FRANKLIN HIGH IS REINSTATED IN CONFERENCE

—Continued From Page One

"Ike" Olsen, of Murphy, Joe Sursavage, of Andrews, Latham, of Cherokee, and Atkins, of Franklin.

Coach Atkins, in explaining Franklin's position said that he had not forwarded eligibility blanks to opposing teams as he did not know there was a deadline. He stated he had the forms completed except for the age of one player, which he had difficulty in obtaining. He also said he had received eligibility blanks from Sylva and Murphy, but that he had not received them from Robbinsville, Bryson City, and Andrews.

President Barnwell, Bryson City coach, said he had not sent his eligibility slip to Franklin, as he had one blank left over and he was not sure which school it should go to. Mr. Sursavage, of Andrews, said that since he received no blank from Franklin last year, he was waiting until he did to send his this year.

Coach Atkins also said, in stating his case, that he felt that the penalty was too severe. Ruling Franklin out of the conference, he said, not only affected the school, but the players, citizens of the town, and the conference. He added that "we have a clean house, no ineligible players, nothing to hide, and anyone is welcome to do any checking on us that they so desire."

Interested citizens from Franklin included R. S. Jones, John M. Archer, Jr., Harry Thomas, Harley Stewart, Frank Henry, Jr., and Bob Sloan accompanied Principal R. G. Sutton and Mr. Atkins to the meeting. Several of these men expressed the sentiment that the penalty seemed too severe and that it did not seem fair to penalize the boys to such an extent; also that it seemed several other members of the conference also had violated the rules and had not been expelled.

The vote was taken in closed session, with only the coaches present, and President Barnwell merely announced the result, not stating how the vote stood. In making the announcement, he said that all previous games will be counted, and coming games played as scheduled.

The first announcement of the expulsion action in Andrews was to the effect that the vote there was unanimous, but Mr. Moses said this week that was incorrect, since he declined to vote on the motion.

Mr. Sutton, Franklin Principal, was notified of this school's expulsion in a letter written by Secretary Bell.

The text of the letter, dated November 2, follows:

This is to notify you that action has been taken against Franklin for not complying with ruling made September 2, 1948, concerning the exchange of eligibility list with each member school and filing one with the Conference secretary. This ruling was reinstated at our first meeting 1949-50. I would like to refer you to Article XI, Section 2, of the Handbook of the State Association:

"A motion was made that Franklin be suspended for one year for not cooperating with the Conference by not sending eligibility list to member schools and not filing one with the Conference secretary, that all games previously played and to be played be canceled, that no member school shall play Franklin any game—basketball or football—until the season of basketball 1951. This motion was based on Article XI, Section 2, of the State Association Handbook."

This motion was seconded and carried by a vote of 8 to 0.

Achievement

—Continued from Page One

Macon County Historical Society, talked on Macon County history. She began with the visit of De Soto in 1540, told of the first trade route in 1740, discussed the battle with the Cherokee Indians at Echoe Pass, and explained how Macon County and Franklin were named. Miss Jones, who brought out the fact that Macon County is in its 120th year, read a letter written by Silas McDowell to the Asheville Citizen in 1874, which described, among other things, the high school here and the mica mining industry in this county.

The speaker urged the club women to preserve old documents and bits of history for posterity.

Mrs. Gray opened her talk by emphasizing the need of an auditorium in Franklin large enough to accommodate large groups, citing the fact the demonstration clubs have outgrown the Agricultural building, and naming other organizations for which there is no meeting place that is large enough.

In reporting on the National Council meeting, Mrs. Gray stressed the responsibility of American women in spreading democracy, and expressed the hope that North Carolina club women will sponsor a home agent from Germany, or some other foreign country, as North Dakota is doing. She complimented the club women for sending clothing to war-devastated countries and corresponding with the women of those countries.

In this connection, Mrs. Charles Houston, president of the Walnut Creek club, which is sending gifts to a family in the Russian zone of Germany, read

a letter from the mother in the family.

Mrs. Carl S. Slagle, first president of the county council, compared the early organization with the present one, and praised Mrs. Gray for her vision.

Perfect attendance awards went to Mrs. Robert Bryson, of the Cowee club; Mrs. J. H. Bradley, of Watauga; Mrs. W. R. Gibson, Mrs. Carrol Gibson, and Mrs. Mae Leatherman, Liberty; Mrs. W. F. Potts and Mrs. Frank Carpenter, Maple Springs; Mrs. Jack Cabe and Mrs. Callie Deal, Holly Springs; and Mrs. Pritchard Russell and Mrs. Billy Norris, Cullasaja.

Mrs. J. R. Ray, council president, and Mrs. Ralph Bradley, vice-president, welcomed the group. The devotional was conducted by Mrs. R. H. Hull, pastor of the Macon Methodist circuit. Bill Mendenhall was heard in two vocal numbers.

A social hour followed the program.

MACON SCHOOL

—Continued From Page One

proposals. At its latest meeting, held last week, it allocated \$25,560 for a building at Robbinsville, \$75,200 for one at Stecoah, also in Graham county, and \$6,000 for a vocational building at Robbinsville.

At the same time it approved organization plans of Graham, Watauga, Caswell, Warren, Pamlico, Wilkes, and Gaston counties and city units as follows: Hendersonville, Kingston, Hickory, Elm City, New Bern, Albemarle, Leaksville, Edenton, Winston-Salem, Thomasville, Rocaok Rapids, and Pinehurst.

The school board also discussed roads to be recommended to the State Highway commission for improvement as school bus routes. On motion of Bob Sloan, seconded by Walter Gibson, the board voted to ask the commission to put the roads to Crow Creek, Betty's Creek, Yonce Creek, and Onion Mountain in condition to permit operation of school busses over them. The motion authorized the superintendent to add such other roads to the request as he deemed needed.

Mr. Sloan also raised the question of whether a road on Cartoogehaye has been so improved as to permit a change of the school bus route, and Mr. Houk promised to inquire into the situation. The board sometime ago asked for the improvements and promised a delegation to change the bus route when the road makes that action practicable.

Winners in the Belk's Department store Harvest Sale contest, in which there were 146 entries, were announced this week as follows: Mrs. Lillian Hunnicutt, largest pumpkin, \$10; Charles Ferguson, 10 best ears of corn, \$10; Miss Nora Leach, best jar of fruit; and Mrs. J. P. Bryson, best jar of vegetables, \$10.

Story Of What Tree Did When Disaster Came

—Continued from Page One

stems. Then, about six feet farther up, the two grow together again, the joining scar disappearing completely within a foot or two. But, where the tree was cut a little higher up, there are two hearts in the single stem.

The forest freak, about 40 feet high, was discovered by a Nantahala Forest timber stand improvement crew working on a project for the improvement and release of growing forest stock, under the Knutson-Vanderberg act. The group of six, all Macon County men, are in charge of Floyd Griffin.

A section of the tree, showing the chestnut limb growing through the hickory, the division into two stems, and the reunion, is temporarily on display at The Press office. What final disposition will be made of it has not been decided. Paul Russell, assistant supervisor of the Nantaha Forest, said.

2 Rotary Clubs

To Hold Inter-City Meet Tonight

The Franklin and Andrews Rotary clubs will hold an inter-city dinner meeting at the Slagle Memorial building here tonight (Thursday) at 7 p. m. It also will be ladies' night for both clubs.

Tonight's joint session will take the place of this week's regular meeting of the Franklin club, which normally would have been held last night.

Numbers by a female vocal octet from Andrews feature the program.

Dr. Bowers

Named Supply Pastor By Baptists

Dr. B. A. Bowers, of Ridgecrest, has been chosen as supply pastor of the First Baptist church here, and will fill the pulpit at the Sunday morning and evening services until a regular pastor is chosen.

Dr. Bowers, selected by the pulpit committee, headed by Paul Carpenter, was elected by the congregation at last Sunday night's service.

The Ridgecrest man has been active as a supply pastor since his retirement from full-time pastoral work several years ago.

Manuel Holland Will Preach At Methodist Church Here Sunday

Manuel Holland, Franklin student at Brevard college, will preach at the Franklin Methodist church Sunday at the 11 a. m. service. It has been announced by the pastor, the Rev. C. E. Murray.
