8-Year Old, With Miniature Racer, Draws Attention

Attracting a great deal of attention Saturday afternoon at Highlands Super Service station on Main street, was the racetrack performance of eight-year old Jerry Baty, son of Mr. and Mrs. Ronald Baty, in his 48-inch automobile with its washing machine motor.

The one-passenger miniature racing car was built by Jerry's father, and young Jerry was evidencing all the cool indifference of a seasoned speed track performer in his circles around the pavement of his grandfather's service station.

PRESBYTERIAN CHURCH WILL SUPPORT SELF

Debt Free, Church Calls DuPree As Regular Pastor

The Highlands Presbyterian church, which formerly has operated with the help of the church's home mission board became a self-supporting church on January 1, this year. In making this step, the home mission board agreed to liquidate the remaining debt on the new basement dining room, kitchen and Sunday school rooms.

With a debt-free church, the Rev. R. B. DuPree, who has served the church as stated supply for the past two years, has been called to serve as regular pastor.

Sidney McCarty has given a coal stoker for the furnace and Charles J. Anderson has had the stoker installed, so that the church maintains a small amount of heat at all times, and with the turn of the thermostat can be used at a moment's notice.

At the men's January fellowship supper meeting held last Thursday in the church dining room, a visitation program of evangelism was discussed, this program to take place in March.

Another feature of the supper meeting was the naming of Charles J. Anderson, Sidney McCarty and John H. C. Perry to appoint various committees and to consult each prospective committee member personally for his consent to serve.

The deacons will comprise the house and finance committee, and the elders the sick and welfare committee. Other committees to be named will include a grounds committee, youth committee, manse committee and a welcome committee.

Mrs. C. E. Mitchell was chairman of Thursday night's supper committee; other members included Mrs. C. J. Anderson, Mrs. O. F. Sumner, Mrs. Tommy Hunt, Miss Dorothea Harbison, Mrs. James O. Beale and Miss Kathryn Baker.

The supper table was centered with a snow man, fashioned of cotton, on a blue mat. Blue place mats were used and favors were tiny snow men. Completing the decorations were lighted candles and paper-white narcissus, arranged in the windows, the narcissus being from the gardens of Mrs. Mitchell's mother in Hawkinsville, Ga.

OBSERVES BIRTHDAY

Miss Mary Sumner observed her thirteenth birthday anniversary Sunday at the home of her parents, Mr. and Mrs. O. F. Sumner on Pierson Drive, with a birthday cake and lighted candles.
