

**Lions Plan
Playground Supervision
Next Season**

When the Lions club-sponsored community playground, at the foot of Slagle Memorial hill, opens next spring, the club hopes to have a plan worked out for full-time supervision of the children's play periods. The tentative plan is to get a group of women to agree to divide the supervision time.

The playground has closed for this season.

W. M. U. Plans Division Meeting At Highlands

The division meeting of the Woman's Missionary union will be held at the Highlands Baptist church today at 10 a. m., Mrs. W. N. Cook, superintendent, has announced.

All ministers and those interested in W. M. U. activities are invited.

Those who plan to attend and have automobiles are requested to meet at the Franklin Baptist church at 8:45 so that those who do not have transportation will be able to go.

HOME TOWN, U.S.A.

America's greatness stems from her communities. . . Your own home town is just as important a segment of the United States as any part of the nation! . . . You know that, of course—but have you ever stopped to consider why your community is such a good place in which to live?

There are many reasons—reasons you're hardly conscious of because they've become such an integral part of your daily life . . . Your home town is made up mostly of people such as you

—folks who love the community, who are just as much interested as you are in making it a better place in which to reside, and make a comfortable livelihood. Your hometown hardwareman is such a person.

Truly, when we come down to it, the local hardware retailer is a pretty important asset to your way of life. And he, too, is a part of the community—a man whose business helps pay taxes, provide better schools, improve roads. He deserves your business—not alone for the better values he offers, but because his shoulder, as well as yours, is to the wheel—the wheel that makes your community everything that it is!
