VOL LXV-NO. 43

"On this United Nations Day, we are joining Americans eye.ywhere in expressing confidence and faith in the United Nations," declared Otis N. Brown, past national commander of the Veterans of Foreign Wars, who was guest speaker at the Macon County United Nations day celebration, held in the Franklin school stadium Tuesday afternoon.

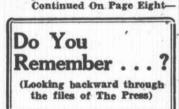

A crowd of more than 1,700 persons bore out Mr. Brown's statement that Americans everywhere were expressing confi-dence and faith in the world peace body.

It is a day not so much for celebration as for commemora-tion, for devotion to the cause of freedom and justice, for rededication to the principles for which the United Nations stands, he said.

Mr. Brown, of Greensboro who is the only man from the South to hold the national commander's position in the V. F. W., briefly summarized the preamble of the U. N. charter, and told of the many difficulties which have confronted the organization in its five years of existence.

"Back of the legal formulation of the United Nations lay the horror of civilization at the unprecedented killing of World War 2", he pointed out. "Nations were war-sick and warweary. And thus," he said, "the actions of the diplomats expressed the hope and spontaneous feeling of mankind for peace.

As every newspaper reader well knows, he said, the five years between 1945 and the present day have been heart-rending ones for the cause of tranquility. From an uneasy

WILL SPEAK HERE **VOTE INTEREST** HERE CENTERS IN TWO RACES Nine

County Officials Will Be Elected November 7

With interest centering in two local races—those of represen-tative and sheriff — Macon County voters will go to the polls November 7 to elect nine county officials and help decide five district and state Democrat-Republican contests.

They also will ballot on five proposed amendments to the North Carolina constitution.

In addition to the county offices, voters here will cast their ballots in the contests for North Caro'ina's two seats in the U. S. senate, two places on the N. C. supreme court, and for this (the twelfth) district's representative in congress.

The Democratic nominees for 14 state and two district offices -20th district solicitor and 33rd district state senator-have no opposition.

In this, the "off-year", general election, the voters of this county will elect a representative in the lower house of the N. C. general assembly, a sheriff, the chairman of the county board of commissioners, two members of the board, a clerk of superior court, a register of deeds, a coroner, and a sur-

veyor. C. Tom Bryson, Cullasaja merchant and former register of deeds, the Democratic nominee for representative, is opposed by the Rev. C. C. Welch, Baptist minister. Mr. Bryson won the Democratic nomination in the primary last May, defeating C. A. Elmore in the primary race. The winner in the November 7 balloting will succeed Carl S Slagle, who did not seek reelection.

J. P. Bradley, Republican, who has held the sheriff's office for two four-year terms, is opposed by Democrat J. Harry Thomas, former Farmers Federation four-way primary race. At pres-ent, Mr. Bradley is the only Republican officeholder in this county.

The candidates for chairman of the board of county commissioners are W. E. (Gene) Baldwin, Democratic incumbent, and F. E. Hastings. Mr. Baldwin is Franklin business man, and Mr. Hastings, of Franklin, Route 2, is a farmer and timberman. Mr. Baldwin, who was unoppos-
