-Continued From Page One the published statement he made during the Democratic race—a pledge to recommend the appointment by the as-sembly of the five men nominated in the Democratic primary for the county board of education. The five are Bob Sloan, Walter Gibson, T. T. Love, J. C. Sorrells, and Charles W.

He also discussed taxes, automobile inspection, and the pay of school bus drivers.

On the latter point, Mr. Bry-son suggested that school bus drivers, now paid jointly by the state and the county, should be state employes, just as the teachers are, and should be better paid. The combined pay in Macon County, he said is \$50 per month, probably the lowest in the state. Emphasizing the drivers' responsibility for the safety of the children, he said their pay should be materially increased

The Macon representativeelect believes present revenues should take care of the state's needs, and is opposed to any tax increase, he said. He anticipates that the issue of the state's taking over the maintenance of
