BOYS TODAY . . . LEADERS TOMORROW

Last Year . . .

Last year your Adult membership made it possible for 277 boys to be Scouts and Cubs in Western N. C.

To give training to 1027 Volunteer Leaders

To make camping available to every Scout

To hold Camporees in every district

To teach participating citizenship through thousands of unit and individual Good Turns

To inculcate in each Scout and Cub the principles which make good citizens and keep America strong.

This Year . . .

This year, with your help, we'll carry this program to 3000 boys in our mountain counties.

After you have renewed your Adult Membership, your neighbor will give you an opportunity to be one of those who will make possible the restoration of the lake at the Boy Scout Camp. Ask him how you can help.

Two years ago a flood damaged the lake so badly that it needs major repairs. The lake is the heart of our fine Scout Camp, the thing Scouts want the most. We believe that you'll agree with us that our mountain boys deserve as good camping facilities as Scouts anywhere and that you will want to help restore the lake.

Today it is becoming more and more important that our young people receive the best training possible. Concerning the Boy Scout movement Admiral Ernest J. King said: "The Boy Scouts of America provides the best training today to help young men prepare themselves to take their place as American citizens tomorrow."

We know you will want to do your part to help this great movement. To do so, clip the coupon below and mail with your contribution.
