one of the finest in the county Although we have many reasons for this pride, one of the greatest is in the high type women who make up the membership of our group. There could be page after page written of them collectively or individually, however, since space will not permit this, we would at this time like to think of our club president, Mrs. Clyde Pennington. She would of course prefer our writing about some of the other members if she knew, but all the members, I am sure, know that Mrs. Pennington will deserve this honor and more.

"I am a relatively new member, having belonged to the club for less than a year. This being the case, I believe I observe the different members more than an "old timer" would. It makes me very happy to think of all the conclusions I have reached and confirmed concerning Mrs. Clyde Pennington, president of the Oak Grove home demonstration club. First of all I like to think of her as a good citizen, interested in her country and a good community; interested in the many activities which lead to a better community life. She is especially active in Parent-Teacher association and home demonstration club work, and a good church attender; although she does not belong to the community church she is planning to become a member there. We are all looking forward to this with great anticipation. Then we would like to think of Mrs.
