For the present, Miss Swann urged the acceptance and use of anything that would help to carry on the work. When asked if the state would

help furnish equipment, Miss Swan said "not unless the the school has a full-time vocational department, with as many as 100 pupils", and added that the equipment would have to be furnished by the local school. Miss Swann said also that

she would meet with Mrs. Nall and help her with any plans, and that later Mrs. Nall could pass the plans on to the P. T. A. Standing committees appointed include: Nutrition and health: Mrs.

Carl Zoellner, chairman, Mrs. W. C. Nall, Miss Nina Howard, Mrs. Tom Gibson, Mrs. W. C. Newton, and O. F. Summer.
