

Lions' White Cane Drive Raises \$303

The Franklin Lions club raised \$303.94 in its annual White Cane drive for the blind, Lake V. Shope, chairman of the blind committee, announced this week.

One-third of the funds raised by the local club will be spent for blind work in Macon County, the chairman said, and the remaining two-thirds will be turned over to the North Carolina Association for the Blind.

In a whirlwind one-night campaign October 8, Lions canvassed the residential sections of Franklin and collected \$224 of the total amount. The balance was donated by Franklin merchants and businessmen, Mr. Shope said.

"We are more than pleased with the cooperation we got in the drive," the chairman said, "and we consider the campaign highly successful."

State College Answers Timely Farm Questions

Q. What dates are best for planting Atlas wheat?
A. F. J. Bell, small grain specialist for the State College Extension service, says the recommended seeding dates for Atlas are October 10-31. Planting between these dates, he says, will promote good growth and enable the plants to develop more tillers. The suggested seeding rate is five pecks per acre.

J. How much pulpwood is produced in North Carolina each year?

A. Quite a bit! Assistant Extension Forester John Ford, of State college, says the total in 1950 was 1,024,000 cords, or 27 per cent more than in the year

profit organization established in 1932 by Lions and interested individuals. It renders services to the blind in all areas of the state where there are no other resources to aid the blind.

Similar drives are being conducted by the other 281 Lions clubs in the state.

PLAN BENEFIT EVENT OCT. 27

Cartoogechaye P. T. A. To Hold Hallowe'en Carnival

Plans for a Hallowe'en carnival October 27 at Cartoogechaye school were announced this week.

The event is being sponsored by the school parent-teacher association, and proceeds will be used to help equip the school lunch room.

According to Mrs. Norman West, P. T. A. publicity chairman, the carnival will feature string music, cake walks, fishing, ugly man and pretty girl contests, and many other activities.

The coronation of a king and queen of Hallowe'en also will be held, she said.

The carnival is scheduled to get under way at 7:30 p. m.

Births

Born to Seaman and Mrs. Joseph D. Shirling, of Bolton, Ga., a daughter, Dorothy Anne, at the U. S. Army hospital, Fort McPherson, Ga., October 7. Mrs. Shirling is the former Miss Dorothy C. Ashe, of Franklin.

Mr. and Mrs. John W. (Jack) Sloan, of Canton, Route 3, have announced the birth of a son Gary Moore, October 3. Mr. Sloan formerly made his home at Franklin, Route 3.

before. If all the pulpwood produced in the state last year could be piled together, it would make a pile four feet high, four feet deep, and would reach from Raleigh to Corpus Christi, Texas—a distance of more than 1,500 miles. Farmers in 88 counties received more than 12 million dollars from their marketing of pulpwood in 1950.

Q. Where can I obtain Atlas seed wheat to sow this fall?

A. A good supply of Atlas seed is on hand, since an excellent crop was produced last season. See your county agent for information about local sources of seed, or write the Crop Improvement Association at State college for a list of certified Atlas growers.

Macon County gained nearly 2 per cent in population between 1940 and 1950.
