

### Grading Completed, Mail Box Posts Put Up At Holly Springs

The Holly Springs community moved closer to its goal in the W. N. C. Rural Community Development contest this week with the announcement that uniform mail box posts have been erected and grading completed at the old school house, the community's future recreation center.

Assisting with the installation of the posts were Harry Kinsland, Garland Shepherd, Walter Taylor, Frank Cabe, Jack Cabe, Fred Cabe, John Kins-

land, R. L. Cabe, Grady Corbin, and George R. Pattillo.

With grading completed at the school house, contest officers said the next step will be to gravel the road leading around the building and to seed the yard.

Saturday, the community ways and means committee staged a "fashion parade" and box supper, highlighted by cake walks.

The community's next meeting will be Wednesday evening at the school.

### Crisp Serving Aboard Rocket Ship In Korean Waters, Navy Announces

Seaman Jesse E. Crisp, son of Mr. and Mrs. Frank Crisp, of Cullasaja, is serving aboard the USS landing ship rocket No. 401, now on her second tour of duty in the Far East, the navy has announced.

The 401 received her "baptism of fire" during the amphibious assault at Inchon and Wolmi-do in September, 1950. Entering the combat zone for the second time in November, 1951, she literally "rained" rockets on the Wonsan area in the "Ulcer Gulch", the release said. The 401 has fired some 15,000 rockets and 1,000 shells in the past six months of her Korean duty.

In 1950, approximately 65,000 farm tractors were operated on North Carolina farms.
