By MRS. F. E. MASHBURN

Saturday the Walnut Creek community voted to deed the Walnut Creek community church and adjoining land to the Walnut Creek Baptist church.

Sunday a singing was held at the church, with singers present from Jackson and Macon County. J. D. McCoy, of Glensville, served as master of ceremonies.

Mrs. Paul Jenkins has been very ill. Her mother is here from South Carolina to be with her.

Mrs. Mary Shevell, of Louisville, Ky., is visiting Mrs. Fay Mashburn and son, Edward.

Cpl. Sherrill McCoy and his wife, of Selma Ala., are visiting his parents.

OUR DEMOCRACY—by Mat

**IT TAKES TWO
TO MAKE A COUPLE**

THIS IS THE MONTH OF JUNE BRIDES,
AND FOR EVERY JUNE BRIDE
THERE IS A JUNE GROOM.

ALL OVER THE NATION, YOUNG PEOPLE, BORN AND BRED IN THE AMERICAN TRADITION, ARE FORMING NEW FAMILIES. AND FROM MANY OF THESE NEW HOMES, HUSBANDS AND WIVES WILL BE STARTING OFF TO WORK TOGETHER AND WILL BE RETURNING TO SHARE THE KITCHEN TASKS AT NIGHT.

OVER THE YEARS THEY WILL BE SPENDING AND SAVING TOGETHER FOR THE HOME, FOR HER, FOR HIM AND LATER FOR THE CHILDREN, BUT ALWAYS WITH THE SENSE OF RESPONSIBILITY THAT IS INBRED IN THE AMERICAN FAMILY—OF TAKING CARE OF THEIR OWN, ON THEIR OWN.

**State College Alumni Hear
Dean At Sylva Rotary Meet**

By W. N. SLOAN
(Club Reporter)

On June 17, the "Swajama" (Swain, Jackson, Macon), North Carolina State College Alumni club, held a joint meeting with the Sylva Rotary club in Sylva.

The joint meeting was held in order that both groups might hear Dean Malcolm E. Campbell, head of North Carolina's Textile school. Dean Campbell is such a busy man that it took some arranging to work into his schedule a trip this far back in the mountains, but all who heard him, however, seemed to agree that his talk was well worth the efforts of those who arranged it. In the brief time available to him he gave an excellent description of the textile school at Raleigh and its operation, and left his audience of Tarheels with a feeling of satisfaction that North Carolina, the foremost textile state in the United States, has a textile school which takes second place to none in the world.

At a brief business meeting of State college alumni, presided over by President J. R. Buchanan, the following officers were elected for the coming year: President, E. J. Whitmire; vice-president, Neville Sloan; secretary-treasurer, Mr. Carl D. Killian; reporter, Jackson Dunn.

The following alumni attended the meeting: Ramsey Buchanan, Sr., Ramsey Buchanan, Jr., John M. Barr, H. W. Cabe, I. F. Cannon, W. B. Dillard, Joe Evans, Paul Gibson, D. Lee Hooper, C. D. Killian, S. W. Mendenhall, Stedman Mitchell.

C. C. Pettit, Albert Ramsey, A. C. Roland, Neville Sloan, M. L. Snipes, Mike Strong, E. L. Welch, E. J. Whitmire, and Frank Winkler.

**Slagle Oiler Crewman
In The Atlantic Fleet**

Serving aboard the oiler USS Niobrara, operating with the Service Force, Atlantic fleet, is Frederick A. Slagle, gunner's mate third class, son of Mr. and

Mrs. Fred M. Slagle, of Franklin, Route 1, according to the Fleet Home Town News center.

The Niobrara is responsible for supplying fuel oil for ships operating with the Atlantic fleet and she is capable of refueling every type of naval vessel from a fleet tug to the Iowa-class

battleship, the announcement said.

Value of the 1951 tobacco crop was estimated at 1.2 billion dollars.

North Carolina manufacturers about 13 million gallons of ice cream each year.

Have you tried BUICK'S POWER STEERING?

HIGH-TAILING down a broad straight road, you have that same sure sense of command that has always put such a thrill into piloting a great performer.

You're the boss. Your hands tell you so. It's the feel that so many folks who love to drive have come to know and enjoy.

This year, you also have at your command the highest horsepower in Buick history—and an Airpower carburetor, with two barrels in reserve to deliver an extra spurt when needed.

You have the size, the silence, the smoothness that make this ROADMASTER so distinguished among fine cars.

Where then, you ask, does Power Steering come in?

When you want to get into—or out of—a tight spot at the curb, Power Steering takes over the extra effort of turning the wheels, and you can forget the two-tons-plus of automobile you're handling.

When you want to turn around in a narrow space—Power Steering lets you get the last inch of benefit from Buick's short turning radius, because it makes the maneuver so easy.

When one front wheel hits a bump, a chuckhole, loose sand or dirt at the edge of a road—Power Steering takes up the jerk—makes control of the wheel easier and therefore safer.

Many folks who have tried it tell us that Power Steering has added almost as much to the pleasure of owning a Buick as Dynaflo Drive.

When would you like to try it?

Equipment, accessories, trim and models are subject to change without notice. †Optional at extra cost on Roadmaster only.
