ARE GOING TO H. D. MEETING

Four Macon Women Plan To Attend Session In Raleigh

Four Macon County women plan to attend the National Home Demonstration council session in Raleigh Sunday through Thursday.

They are Mrs. Barbara B. Hunnicutt, assistant home agent, Mrs. Carl Slagle, Mrs. Ed McNish, and Mrs. Jack Cabe.

Mrs. McNish has been selected to serve at a tea at the governor's mansion during the meeting.

The N.H.D.C. is a national group made up of women who participate in home demonstration extension groups, which are sponsored cooperatively in many counties of the nation by the extension service of the United States Department of Agriculture, the Land Grant college in each of these states, and the counties in which they operate.

U. S. bituminous coal mines produce at the rate of more than 1,000 tons a minute for every minute of every day in the year.

DEATH CLAIMS M. M. SPRADLIN

Was Franklin Summer Resident; Rites In Tampa, Fla.

Milton Marshall Spradlin, of Tampa, Fla., a Franklin summer resident, died last Thursday afternoon at Angel hospital after an illness of about a month. He was 59 years old. Funeral services for Mr. Spradlin, who had been a summer resident here since 1947, were conducted in Tampa.

An insurance broker, he was born May 16, 1893, the son of W. J. and Lullie Spradlin, of Union City, Tenn. In 1915 he was married to Miss Georgia Nell Burrows, of Hickman, Ky. Surviving are his wife; a daughter, Miss Hilda Dale Spradlin, of Tampa and Franklin; and a sister, Mrs. Dell Choate, of Dalton, Ga.

Local arrangements were under the direction of Bryant Funeral home.

Present-day railroad freight cars hold from 70 to 90 tons of coal, compared with the old-time cars of 50-ton capacity.
