HERE'S YOUR CHANCE

To buy an old 9-room house with bath, and fix-it-over just the way YOU would like to have it. (And it does need a good going-over!) The floors should be sanded and refinished, some of the rooms could be refinished with pine paneling, others with sheetrock, and colorful wall-paper would be lovely in the bedrooms. Of course it is quite livable as it is, but \$2,000 would really work wonders in this house. It is in an Excellent (A-1) Location, only 800 feet from the Court House, and —IT CAN BE BOUGHT RIGHT!
