**First Postmaster Commission On Library Display**

The Hudson Library has on display the original commission showing the appointment of T. Baxter White as Highlands' first postmaster on November 3, 1875, signed by Postmaster General Marshall Jewell.

It is a gift to the library from Mr. White's son, Elias D. White, of California, who recently sent it to Mrs. A. C. Holt to be turned over to the library.

The commission is approximately 14 x 16 inches in size and is framed under glass. The framing was the gift of Mrs. Holt's son, Lawrence J. Holt, of Holt's Mirror and Glass Shop.

Another treasured bit of Highlands history that has been in

the library for several years, is a compass used by S. T. Kelsey in the survey and laying out of the town in 1875. The library is open two after-

noons a week, Tuesdays and Saturdays, from 3 to 5 o'clock, until the daily summer schedule goes into effect, the librarians have announced.
