TO LAST A LIFETIME
Large modern 9-room home with 4 bedrooms, 1 1/2 baths and shower in ground-level basement. It is exceptionally well planned for gracious living, and leaves nothing to be desired. You have the "at home" feeling when you walk in the door, and the log-burning fire-place is really out of this world. This fine home is in a perfect state of repairs and has a Million Dollar View. Reproduction cost of this property would be about \$27,500 today. However, it can be purchased for only \$16,750 cash, or on reasonable terms if desired. Possession in about 60 days. At \$16,750 I know of nothing comparable in comfort, appearance and location!
