

DRIVE IT YOURSELF!

You want a car you'll both be happy with—one that performs for a man, handles easily for a woman. We believe Oldsmobile's the answer. That's why we're launching this special "Double-Date" campaign—inviting you to come in and drive the Super "88" or Classic Ninety-Eight together. See for yourself how the "Rocket" Engine rules the straightaway, how Hydra-Matic's Super Range levels the hills, how the Power-Ride Chassis seems to iron out the roughest roads. Then . . .

LET HER DRIVE IT TOO!

You'll learn that Oldsmobile has a double appeal—to men and women alike. She's probably told you already how she loves Oldsmobile's long, sweeping lines and luxurious Custom-Lodge interiors. But at the wheel she'll discover that this big, powerful car is as obedient to her light touch as to yours—with Power Steering* and Power Brakes* taking the work out of driving. Come in soon. Discover the double appeal of Oldsmobile . . . together!

*These Power Features and new Automatic Eye are optional at extra cost.

NEW HOSPITAL WARD IS READY

Furnishings Donated By Highlands Lodge In Potts' Memory

The new pediatrics ward at the Highlands Community Hospital is now ready for use, Dr. Sherman H. Pace has announced.

Furnishings for the ward were donated by the Blue Ridge Masonic Lodge, Number 435 (Highlands), in memory of William T. Potts, who died in 1935. The lodge turned over to the hospital a check for \$430.90.

A committee is presently preparing a plaque to be hung on the door, and a formal dedication will take place sometime next month, according to Dr. Pace.

MY GRATITUDE

I have just learned from experience what many people had told me—that there is no limit to the kindness of people here when trouble strikes. My own people could not have been kinder to me. There were so many sympathetic words and thoughtful acts that I am not even sure of the names of all those to whom I am grateful:
