Yule Greetings

**FROM GNEISS**

By MRS. F. E. MASHBURN

Greetings to Press readers in land, sea, and air.

Once again the blessed spirit of Christmas is abroad in the earth wherever the story of the Christ Child is told.

Loving sacrifice by millions are being made at this holy season.

Regardless of age, all are thrilled with anticipation and service that are old enough to serve.

Bright colors, candles, greenery, and electric lights but reflect the glow of the spirit of Christmas in Christendom's heart.

The lowly Christ Child born in a manger in Bethlehem in Judea over two thousand years ago has sent through time, around the earth, the theme which the herald angels sang, "Peace on Earth, Good Will to Men."

May the blessed Peace which passeth all understanding fill your hearts and minds.

**Cartoogechaye Enters Contest**

By MRS. E. REX ANDRUS  
(Community Reporter)

The regular meeting of the Cartoogechaye Rural Community Development Organization was December 11.

Dr. A. Rufus Morgan, president, announced the community was entered in the Christmas decorations contest sponsored by the Nantahala Power and Light Company. Mrs. E. Rex Andrus was named chairman of the project.

Prior to the meeting a crew of men helped tear down the old Kaiser building at the intersection of Wayah Road and US 64. This now gives an unobstructive view of the highway from Wayah Road.

A Boy Scout troop has been organized with the Rev. Joe Freeman as scoutmaster and Jess Shope as assistant scoutmaster.

The next meeting will be held January 7 at the school.

Highlands

Personal Mention

Miss Dawn Simonson, a junior at Principia College, Elmhurst, Ill., is visiting her grandmother, Mrs. George N. Moore, at her home on Mirror Lake. Miss Simonson will be joined by her parents, Mr. and Mrs. Byron Simonson, of Palm Beach, Fla., on December 20, to spend Christmas at their summer home "Seven Acres". Byron Simonson, Jr., a student at Miami University will join the family for the holidays.

The nation's 1953 cotton crop prospect improved during August, bringing the current estimate to 15,159,000 bales.
