ST. AGNES AUXILIARY SLATES MEET MONDAY

The auxiliary of the St. Agnes Episcopal Church will meet with Mrs. Louis Hirsch Monday, January 11, at 2:30 p. m., it has been announced.

MISS PERRY IS BRIDE OF CHARLES M. CORBIN

Miss Mary Helen Perry, daughter of Mr. and Mrs. Nathan L. Perry, of Rome, Ga., and Charles Max Corbin, son of Mr. and

Mrs. Fred J. Corbin, of Franklin, were married Sunday afternoon, December 20, in Mount Berry Chapel, Rome, Ga.

Dr. R. V. Gresham, chaplain at Mount Berry, performed the double ring ceremony.

Harvey Roberts, organist, and Miss Christine Davis and Walter Payne, soloists, presented a program of wedding music.

The chapel was decorated with magnolia foliage, ferns and other greenery. Arrangements of white gladioli were used.

Mrs. Sheila Perry Mackey served as her sister's matron of honor. She wore a floor-length gown of iridescent green taffeta, with matching headdress. Her bouquet was of rose pink carnations.

The bridesmaids were Mrs. Bill Morris, Miss Joanne Tyre, cousin of the bride, and Mrs.

Lamar Ray. They wore dresses similar to that of the honor attendant and carried bouquets of white carnations.

Fred McFarland, of Ellenboro, was best man. The ushers were Furman Corbin, Harry Corbin, Herbert Murrell and Kenneth Corbin.

The bride, given in marriage by her father, wore a gown of white satin and lace, with lace panels back and front, and a flared Victorian collar. She wore a veil of illusion, three-quarter length, fastened to a bonnet of lace. She carried a white Bible, showered with white carnations, pink rosebuds and satin ribbon.

The bride's mother wore a dress of navy blue and lace, with old rose accessories. Her flowers were deep pink rosebuds.

The mother of the groom wore a dress of dove grey silk crepe with black accessories. Her flowers were parma violets.

Following the ceremony, the parents of the bride entertained at a reception given in the library of the Science Building on Mount Berry Campus. Miss Charlotte Cummings and Miss Ann Eason presided at the punch bowl. Mrs. Richard Moore served the wedding cake, and Miss Ann Stone registered guests in the bride's book.

After the reception the couple left for a honeymoon trip. For traveling, the bride wore a slate blue fitted suit with black accessories.

Mr. Corbin is a senior at Carson-Newman College, Jefferson City, Tenn., where he is studying for the ministry.

Mr. and Mrs. Ernest Wright, Jr., and two daughters, Gloria Jean and Sue Ellen, of Alexandria, Va., and Misses Maxine and Lucille Hannah, of Oklahoma City, Okla., spent the holidays with their parents, Mr. and Mrs. Fred Hannah.

C. C. Morfit, of Wheeling, W. Va., is visiting Mr. and Mrs. R. G. Lichtenstein.

Three Communities Sponsor Party For Boy Scout Troop

A New Year's Eve watch party for the Boy Scouts of Union, Troop 4, was given at the Union School by the troop sponsors, Longview, Union, and Prentiss Rural Community Development Organizations.

An estimated 100 families and friends of the Scouts attended. The party opened with a welcome to the Scouts by J. L. Sanders, Dr. A. Rufus Morgan, rector of the St. Agnes Episcopal Church and an ardent worker in the Boy Scout movement here, gave the invocation and some of his "highlights" of Scouting.

A musical program was given by Tom Henson's quartet; Wildlife Protector J. G. Wright, of Franklin, showed a film on the proper handling of firearms; Weaver Shope, Cullasaja School principal, conducted a quiz program; and John Edwards, vice-chairman of the Smoky Mountain Boy Scout District, gave an illustrated lecture on "Future Citizens From Boy Scouts".

Refreshments were served at a 10 o'clock intermission and the Scouts presented a program of music and song from 11 until midnight.

Fertilizer Picture Favorable For '54, County Agent Asserts

The fertilizer supply for this year looks very favorable in North Carolina, the state whose farmers use more plant food than any other. But the word went out today for farmers to order their supply early.

County Agent S. W. Mendenhall this week reminded farmers that there frequently are spot shortages of certain favored materials—even in a year of good over-all supply.

"The best way to have the right type and the desired amount of fertilizer available

when it is needed is to order early", he said.

Tar Heel farmers used 1,850,000 tons of fertilizer during the 1952-53 crop year, slightly less than the preceding year. The state's agricultural leaders have urged farmers to continue to boost their yields by applying plant food "where it is needed in the quantity it is needed".

Mr. Mendenhall said with sound fertilizer management this year Macon farmers need not worry too much about declining farm prices.

The county agent also said a recent USDA report indicates that fertilizer supplied over the nation will be up 11 per cent for the 1953-54 crop year. The amount of nitrogen will be about 2 million tons, phosphates about 2 2/3 million tons, and potash a little under 2 million tons.

The '54 BUICK's got it—
The BIG CHANGE you've been hoping for!

Exemplar of the 1954 Buick's years-from-now styling is this stunning new SUPER Riviera

THE instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model change-over. Here is vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roofline—in the host more glamor features of exterior modernity.

They upped all horsepowers to the highest in Buick history.

They engineered a new V8 for the SPECIAL—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

BUICK

the beautiful buy

They brought to market a sparkling newcomer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why the Detroit previewers are already saying, "Buick's the beautiful buy!"
